N. Y. Stocks

NEW YORK, May 7.—Further profit taking and renewal of bearish pressure against the more speculative shares made for extremely irregular conditions in today's stock market. Issues of recent strength, such as steels, oils, motors and related shares were uncertain or heavy. Some of the rails, particularly coalters, showed firmness, but trading in that quarter was contracted. Few elements of strength comprised minor copper and other metal stocks, United States Realty and California Petroleum. The closing was heavy. Sales approximated 375,000 shares.

NEW YORK—Stanislaus Zlyskow of Poland, who last night won the world's heavyweight wrestling championship from Ed (Strangler) Lewis, met defeat on his last bout in the 14 years of his professional career. His shoulders were pinned by the late Frank Gotch when the toe hold artist was in his prime. Zlyskow defeated Lewis in 23 minutes and 17 seconds of grappling. He pinned Lewis with a neck lock when the Strangler fell on his back in an unsuccessful attempt to apply his headlock.

NEW YORK—The world's championship bout at Jersey City July 2 between Georges Carpentier and Jack Dempsey will be the occasion for a convention of all classes of ring champions past and present. Invitations to attend the bout have been mailed by Tex Rickard, promoter, to all present champions and to Jim Jeffries, James J. Corbett, Tommy Burns and Jess Willard.

DES MOINES—Jack Britton, welter weight champion and Johnny Tillman of Minneapolis have been matched for a ten round match here May 17, Tommie Ryan announced today.

LOUISVILLE—Bantamweight champion Joe Lynch and Pat Moore fought a furious 12-round match here last night, observers disagreeing as to the verdict but many calling it a draw.

COLUMBUS—The twelve round bout between Jack Malone of St. Paul and Bryan Downey of Cleveland to have been staged here May 16, has been cancelled, according to Malone's manager, Mike Collins. He said Malone is suffering from a sprained wrist.

PORTLAND—Frank M. Troeh, Vancouver, Wash., won high gun honors in the 129 target event at the opening of the 37th annual tournament of the sportsmen's association of the northwest yesterday, scoring 119.

EAGLE POINT EAGLES

Rev. James E. Condon, pastor of the Methodist Church, South, came out Thursday afternoon and spent the night at the Sunnyside. They came out to try their hand at fishing, but found that there was too much water in the stream and it was too rocky for that. Mr. Condon seemed to think that the fish would get enough to eat without hunting for it on a hook.

A. C. Spencer and his brother, Charles of Brownsboro, were business callers also Thursday, April 28th. A. G. Robinson of Prospect was a passenger on the Medford-Prospect stage Friday of last week.

Pete Young, one of the pioneer farmers of this vicinity, was in town last Saturday and while here received a lot of shakes he had shipped out from Butte Falls. He is planning to build another large barn in anticipation of having a big crop of hay and grain, as he is a good farmer and has one of the best farms in this section of the country.

Arthur Morrison, formerly of this place, in his boyhood days, but for several years a resident of Eastern Oregon, was here for dinner last Saturday. He is visiting some of his old schoolmates and making headquarters with Henry French near the French-Dodge bridge on Rogue river.

Mrs. Robert M. McCabe of Reed Creek and Mrs. Fields of Redwood called Saturday to enquire for the home of Wm. Wright, who is living on the Sam Cox farm near town. There were four men here Saturday, who wanted to go to Central point and they made a deal with Mr. Lewis to take them for \$1 apiece, but there was one, an old man, decided that he would rather stay a few hours longer and save fifty cents, rather than pay the price, going to Medford and then pay 15 cents to walk from Medford to Central point, or ride. In the first instance he would wear 35 cents or if he walked, would wear out 15 cents' worth of shoe leather, very doubtful economy.

Mrs. Heba Walls of Ashland came in Saturday to the Sunnyside to visit one of our regular boarders, Mr. J. P. Goin, and, to make dinner. Mrs. Walls is the mother-in-law of the late George Owens, at the time of his death county commissioner, and Mr. Goin worked for Mr. Owens for nine and a half years and she seems to think as much of him as she would of her own son.

Milton Conley of Brownsboro was also a business caller Saturday afternoon. May the first came in rather cloudy and cool and about all the difference I could see between that and any ordinary day was that there was a few of the regular attendants of the dances here, came in Saturday night late for bedding and late breakfast, Sunday morning. Even our Sunnyside was not so well attended as usual, and speaking of the dance, some of the men who are boarding here and went in to see and be seen, reported that the attendance was rather slim, since the ladies have undertaken the management of the dancing, and enforce the rule of good behaviour or leave. They seem to be taking the lead in that as well as other matters.

Gordon Cox, who has a farm about four miles below Trail was here having his team shod up. J. H. Howard, one of the veterans of the civil war, who is having Dr. Ettemons of Medford, treat his eyes, came out on the Medford-Eagle Point stage for his home. Mrs. Bert Clarno also came out and went out here, via the same route, for while they were here on the opposite side of the river from

the stage road, they get off and call for boats to come for them, and quite a convenience.

There were also three other passengers on the Eagle Point stage and one of them was Rev. L. M. Phillips, the pastor of the Free Methodist church of Grants Pass. He has a and was going up to visit her.

Mrs. Grace R. Hart, a professional nurse, who has the care of Mrs. R. E. Baker and her baby at the Sunnyside reports that the mother and babe are doing fine. This will be good news to Mrs. (Barbara) Baker's many friends in and around Butte Falls. They have named the baby Dorothy Louise Baker.

Miss Alice Humphrey of Dorley, who is attending the Medford High school, passed through here Tuesday on her way to Medford.

Mrs. Roy Stanley of this place started Tuesday for Portland to be at the bedside of her father, who is reported on the sick list.

Adon Haselton, who is working on the Antelope orchard, spent Sunday and Monday at the Sunnyside.

Mrs. H. Hartyford of Butte Falls went up home on the Butte Falls stage Tuesday.

W. H. Crandall, one of our rushing farmers and orchardists, has purchased a lot of two-inch pipe that was used in the ice plant some time ago, but since has been sold and removed, and is fixing up an apparatus to spray his fruit trees more rapidly.

Husband and Wife Both Sick. Mr. and Mrs. Andrew Comer, Shenandoah, Va., were both ill. He writes: "Rheumatism and bladder trouble was our trouble. My wife had rheumatism in her arms so she could not use them. She has had no trouble since taking Foley Kidney Pills. I don't have to get up at night so much since taking Foley Kidney Pills, nor have I a weak back." Backache, sore, swollen or stiff muscles or joints, tired languid feeling—yield quickly to Foley Kidney Pills. Sold everywhere. Adv.

The date of the first publication of this Summons is the 26th day of March, 1921, and you are required to appear and answer the complaint herein on or before the 7th day of May, 1921.

You and each of you are hereby notified that if you fail so to appear and answer the complaint in this action within the time specified, this plaintiff will take judgment against you and each of you, and will apply to the Court for the relief demanded in determining the value of an easement for the construction, operation and maintenance of an irrigation canal for the plaintiff over a strip of land fifty feet in width across the lands of the said defendants in Section 31, Township 26 South, Range 1 East of the Willamette Meridian in Jackson County, Oregon, and the damages, if any, accruing to said defendants by reason of the appropriation of said land for such easement, and the compensation to be awarded to the said defendants for such taking and for such damages, if any; and for the further judgment of this Court that after compliance by the plaintiff with the terms of said judgment the land charged with such easement shall be thereby appropriated to the use of the plaintiff for such easement for said purpose, and that said easement shall thereafter be the property of the plaintiff, and for the costs of this action and for such other and further relief as to the court may seem just and proper in the premises.

Dated March 24th, 1921. LINCOLN MCCORMACK, Attorney for Plaintiff.
