LET LIBERTY BONDS ABSOLUTELY INSURE YOUR INVESTMENT

THE DAY OF THE GAMBLE IS PAST—Oil Investors need no longer "take a chance." RELIABLE oil operations should now be just as safe as preferred industrial stocks. DEMAND IT!

If you are at all interested in making money in oil, take advantage of THIS opportunity, wherein the element of chance is so simply and reliably eliminated.

We Want Every Investor to Have the Fairest Deal Possible

Our syndicate has bona fide leases on over 5,000 acres of deeded prospective oil land in the great Lance Creek vicinity, adjacent to Lusk, Wyo. Leases are in First National Bank of Lusk.

We want to sink a well and hasen't the necessary money. You help us get it, and share in the immense profits that are assured for just one good well. And if we should not get a gusher, you are not going to be permitted to suffer loss.

Here's the Reason:

For every hundred dollars subscribed and deposited with our Trustees, one, one-hundred dollar Liberty Bond is purchased by them and held in trust as security for your money. The difference between the current market value and the bonds' face value, and a year's interest, is to be devoted to organization and drilling expenses. At the end of a year, when it is PROVEN whether or not there is oil on our holdings, you shall, then, decide between accepting $100 worth of stock in our company, or demanding your $100 bonds. If we get oil, you'll doubtless prefer the stock and its accompanying profits. If not, you'll have your government bonds, intact. Isn't that about as fair and square an opportunity of participating in the great wealth daily being earned by oil, without risking the usual percentage of loss, as you ever heard of?

You Simply Cannot Lose!

Only sufficient money to do what is actually necessary is wanted. Therefore, right is reserved to limit subscriptions, returning money, on receipt, to subscribers forwarding same after sufficient has already been received. The fewer in, the greater pro rata profit. And we want the profit of those who co-operate with us to be something worth-while. If YOU have the courage of a pioneer, YOU TOO may be one of the fortunate ones, if you
