MEDFORD RAISES FULL AMOUNT OF CRATER COMPANY

Whenever Medford has a serious situation confronting her, all it takes is a meeting of her business men where conditions are made plain to them and the problem is solved. Such a meeting was held last week to consider the financing of the new Crater Lake company which resulted in the appointment of two committees who worked less than an hour and a half and oversubscribed the amount of stock necessary to keep Medford's good name for progressiveness before the state.

Out of a total of $20,000 of stock offered, Medford citizens subscribed for more than $7000. It was the original intention of the company to have this amount taken up by all of the communities of southern Oregon but as Medford men had assumed the responsibility of the management of the Crater Lake concession, they believed it only proper for Medford citizens alone to show their loyalty and belief in the investment as being a most profitable one.

Every citizen of southern Oregon, especially those who have never visited Crater Lake, should plan to do so this year. The privilege of the option of purchase of the Crater Lake concession will not be exercised by the newly organized company unless there is a good showing made this year.

The Screen

"The Mask" Drawing Good Crowds.

"The Mask," produced from Arthur Hornblow's fascinating story of romance and conspiracy that ranges from San Francisco to the picturesque diamond fields of South Africa, continues to attract good houses to the Page theatre, where it is the attraction this week. "The Mask" is a Col. Wm. N. Selig production, filmed under the direction of Bertram Bracken. Jack Holt is the featured player. He is seen in a dual role of twin brothers, who, though exact counterparts of one another in looks, are the direct opposites in character. Hedda Nova is seen in the leading feminine role.

PHOENIX SCHOOL NOTES

The athletic field meet last Friday and the program was carried out in full. The attendance was good and the enthusiasm and interest were never better.

The highest contestants were Central Point 134, Applegate 133, and Phoenix 129 points. Applegate will contest for cup next Saturday, at Medford library, Saturday, 2 p. m.

The school has raised over $360 this year with play, socials, etc. This money has been used for athletic apparatus and senior supplies.

Next week will be given over to the senior class. Sermon on Sunday, rest on Monday, picnic on Tuesday, banquet on Wednesday, graduation on Thursday.

The graduating class is all smiles this week, having received each a gold ring, bought from proceeds of the play.

Prof. Irvine Vining will give the class address Thursday evening, May 19.

The United States has 54 different designs of banknotes.

"Gets-It" Ends All Corns

Just As Good For Calluses. Money Back If It Fails.

Thirty seconds after you touch the corn with this liquid corn remover the jabbing, stabbing pain of it stops for all time.

Simple As A, B, C.

No corn, hard or soft, is too old or too deeply rooted to resist "Gets-It." Immediately it dries and shrivels, the edges loosen from the true flesh and soon you can peel it right off with your fingers as painlessly as you trim your nails.

Don't coddle corn pests. Don't nurse and pamper them. Don't cut and trim them. REMOVE them with "GETS-IT." Costs a trifle at any drug store. Mfd. by E. Lawrence & Co., Chicago
