EAGLE POINT EAGLETS

By A. C. Howlett
Mr. T. Hamerick, formerly one of the pioneers in the neighborhood of Agate, but now in the Dead Indian Soda Springs country, was a passenger on the Eagle Point stage on his way up home Tuesday.

C. B. Purson of Traill, Wm. Von der Hellen, one of the contractors on the Crater Lake highway, and H. F. Hodson of a Portland firm selling road machinery, were here for dinner Tuesday.

Mr. Pearson has charge of the construction work if the Crater Lake highway between the new Rogue river bridge and Traill. They report that they are progressing finely with their work.

Earl Tucker and Lester Bradshaw were also here for dinner Tuesday. They came down from their home in Brownshoro to shear a small bunch of sheep.

Mrs. Cal Thompson of Medford, came out to help do the work at the Sunnyside Tuesday.

Mrs. Charles Edmondson and daughter, Mrs. R. R. Reiter, of Butte Falls, who have been at the Sunnyside for a month or more, returned to their home on Wednesday and took Mrs. Baker's new baby with them and I am glad to be able to say that the trip did not hurt the young mother.

Among the eaters Wednesday was Mr. Hayman, supt. on the J. H. Cooley orchard and he reports that the late frost has greatly damaged the peach crop and the pear crop to a great extent, but the apple crop bids fair to be good. John Norris, supt. of the J. M. Wilfley orchard, reports that the pear crop is considerably damaged.

Ernest Dahack, our town barber, in addition to fixing up his shop in fine style has installed a complete water system, dug a well along the side of his irrigating ditch that runs through his place recently purchased, and walled it up with cement so as to insure pure water put up a large tank with gasoline engine with pipe attachments so as to irrigate the land above the ditch. He has also arranged his bathtub so as to give hot and cold baths and has the arrangements made so that he can accommodate his customers to anything in that line.

Mrs. L. M. Miller came in Wednesday morning from California with her two children on her way to visit her brother, Mr. Oliver on Traill creek, but found that the stage did not leave on that day so remained over until the next morning at the Sunnyside.

Mrs. Frank Nell of Derby also came in on the Eagle Point stage and went up home on the Prospect stage.

Ray Moore and T. E. Cronin of Medford were also here Wednesday and so was H. V. Carter of the Beaver, Portland Cement Co., Portland. There were also two men here for dinner Tuesday but as they were on a special deal desired to keep their names from the public for a while. Fred Nell of Ashland was also here selling stock in oil fields in Montana.

Mrs. J. Montgomery, one of the pioneers of the valley who has been visiting her daughter, returned to her home here Wednesday.

Wm. Hurst of Andrews county, Montana, arrived here with his little boy Tuesday. He brought a car and came through bringing his household goods, team, wagon, etc. His family are not expected for several days yet.

Wm. Hurst is a sister of the late Mrs. John Robinson who passed away some months ago. They have moved into the Charley Painter house in the lower part of our town.

Mrs. Ralph Stanley of Raucheria, Butte Falls, was a business called Wednesday, and so was Mrs. M. L. Pruitt, one of our prosperous farming women.

Mrs. Robert Verblek, a daughter of Frank Living in Santa Barbara, Calif., during the winter, arrived at her parents' Wednesday.

C. E. Merrill of Derby, spent the night at the Sunnyside Wednesday on his way to Medford.

Dick Vandenbergh of Oregon City, spent Thursday night at the Sunnyside.

Your Eagle Point correspondent spent Thursday in Central Point and Medford so is unable to tell much that was going on in our little town.

Another one of our prominent citizens has left us. Mr. McAllister, he having bought a farm near Central Point, although he remarked that he greatly likes this place and if he had known of a tract of land joining his home here for sale he would have bought it but he had already bought his farm before he learned about it being for sale. But we have simply made an exchange for Mr. Denton of Ashland has bought the tract of land referred to and the McAllister house and I understand has moved into our town.

Mr. Barker, the Butte Falls banker, came out Friday morning and brought out Mrs. M. L. Heryford and her son W. H. Heryford of Butte Falls who are on their way to Santa Cruz, Calif. Mr. Heryford owns a fine stock ranch out a few miles from Butte Falls and they are going to Santa Cruz on business.

Corbett Smith of Butte Falls came out Friday with a young black Percheron stallion to procure a license to stand him this season. Dr. Gitzen, a veterinarian was here to examine him so as to grant the license.

Mr. Swink, one of the Butte Falls merchants, and a stranger came out on the Butte Falls stage and went on up to Butte Falls Friday it being the first day the stage with the same driver has gone the round trip with a large car.

J. L. Robinson, Sr., and son Earl passed through here Friday with a corn sheller on the way home. Mr. Robinson has considerable corn and he intends to shell it and chop it up for chicken feed. He will use his tractor engine for the propelling power to shell and chop the grain.

W. E. Hammel was here inspecting Mr. Smith's stallion.

Fred Petygrove was also here attending to business matters.

STOP THAT ACHE!

Don't worry and complain about a bad back. Get rid of that pain and lameness! Use Doan's Kidney Pills. Many Medford people have used them and know how effective they are. Here's a Medford case:

Mrs. E. Johnston, 124 S. Central Ave., says: "I have used Doan's Kidney Pills and found them to be just as represented. I had attacks of kidney complaint and my back ached awfully. It was hard for me to do any work and I also suffered from severe spells of dizziness, and felt tired most of the time. My kidneys acted irregularly, too. I read about Doan's Kidney Pills and used some from the West Side Pharmacy. Doan's soon cured me up in good shape, entirely removing the backache and other signs of kidney complaint."
