S. Blanchard and John H. Carkin, assenting, because the complete report of the state board of health on the chemical analysis of the brain and stomach of Mrs. Gruetter has not yet been received. Probably the only exhibition of baseball of its class ever staged in Medford was played at the ball grounds last night when the Elks met the Mail Tribune team. The scorekeeper used up two adding machine rolls in trying to keep the record of runs made by the Elks but lost track in changing to the third roll so there is still some doubt as to just how many they did make.

One small boy who claimed to keep score affirms that the final count was 17 to 5 in favor of the Elks but there is no reason to believe that this is authentic. Jerry Jerome was the whole life of the Elks team and by his heavy hitting and good coaching led his backbonds to victory. Jerry even went so far as to act as first baseman for the printers part of one inning. One of the many features of the game was a pretty running catch of a hard drive to center field by Herb Grey for the printers.
