

Local and Personal

Straw hats are becoming less conspicuous, both among local residents and the traveling public. Until within the past two days the only such headgear seen in Medford was when one or two through passengers got off a train at the depot and walked about the platform for exercise. Many straw hats have appeared on the streets the past two days, and the straw hat season may now be said to be on.

LARGE AUDIENCE IS ENTERTAINED BY HIGH SCHOOL PLAY

A very large audience laughed at and otherwise much enjoyed "Fanny and the Servant Girl Problem," the comedy by Jerome K. Jerome, which was presented last night at the Page by the graduating class of the high school, under the direction of Margaret Cottrell.

The presentation reflected much credit on the amateur actors and Miss Cottrell, and was aided by the high school orchestra under the leadership of Miss Louise Wolfe, who presided at the organ. The comedy was well cast and finely staged. The leading parts, as well as the lesser ones, were so well played that the whole was well balanced and as far as acting went it was difficult to pick out the stars.

The cast of characters follows: Fanny, Isobel Stuart; Lord Bantock, Winston Vance; Martin Bennett, Adrian Lofland; Susannah Bennett, Orrel Powell; Jane Bennett, Josephine Lindley; Honoria Bennett, Constance Vance; Alice Wetherell, Anna Ferguson; Edith Wetherell, Lydia Deane; Dr. Freemantle, Frederick Mears; Ernest Bennett, Gilbert Blackburn; George P. Nowte, Westerman Whitlock; The Actresses: Harriet Milnes, Aiva Burbridge, Gladys Hartley, Lael Klum, Erma Hamilton, Lucille Abbott, Fern Dewey, Tillie Knipps.

SACRAMENTO TRAIN ROBBER CAPTURED

SACRAMENTO, Cal., Roy Gardner, suspected mail robber, captured at Roseville last night while playing cards, today was held incommunicado in the Sacramento jail. He held to his denial made when he was captured—that he had no part in the robbery of the mail car on the Southern Pacific's limited Friday night.

Bad Luck and the Devil Pursued Him

"I don't think any one has had more bad luck and sickness than I have. In 1905 I had two ribs, an arm and collar bone broken in a railroad accident. Then I had pneumonia. After recovering I crossed a pasture when a bull chased me, tossed me over the fence and broke my right leg. In 1910 I had typhoid fever; since then severe stomach and liver trouble, which no medicine or doctor touched until two years ago I got a bottle of Maxy's Wonderful Remedy, which proved the first ray of light in thirteen years." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by all druggists. Adv.
