ASHLAND, May 30.—The children will participate in the Memorial Day parade today, the relief corps of the G. A. R. having made the necessary arrangements for the young folks to take part in the program of the day. The Plaza will be the rallying point for the marchers of various organizations.

Shriners of Hillah Temple began the trek towards Eugene last Wednesday, especially as the fine weather prompted many to go by the auto route. Only two Pullmans were reserved for those who took passage on No. 16, Friday evening. Frantic appeals for reservation were filed up to the time the train whistled for Billings "underhead" crossing. The patrol monopolized one car, and for a time it looked as though its members would have to be transferred to a perch on the roof of the smoker. Jesse Winburn, Robert Neil, W. F. Loomis, Andy McCallen and Bob Warner, T. H. Simpson and others were among those who started early under Chevrolet, Buick and Fordson power.

Attorney William Briggs has been appointed to defend Frank Kodat, implicated in the attempted Gold Hill bank robbery.

Ladies of the Presbyterian Aid society held a very successful food sale at Enders department store on Saturday. All the church affiliations are busily interested these days in the contemplated additions to the church edifice.

A number of property changes of late include the transfer of the East Side market by James Barrett to outside parties. The residence property of O. P. Mrs. Elizabeth Van Sant was hostess last week, Thursday, at her home on Oak street, to a company of friends gathered to greet, as guest of honor, Mrs. Hattie Lager, who is visiting familiar acquaintances here, on her way home to Aberdeen, South Dakota.

J. M. Spencer, ex-service man, is employed as engineer by the Huber Construction company at its summit highway camp on the Siskiyous, engaged in paving operations near the base of the mountains and in the vicinity of the Barrons.

E. E. Ehrich, mining engineer, formerly located at Medford was a visitor here last week, returning from a trip to San Francisco. He has been located for some time past at Victoria, British Columbia, in the employment of a corporation which is prospecting for mineral deposits throughout that section of the Canadian northwest. Mrs. Ehrich, who was formerly Miss Van Slyke of the Ashland schools, visited relatives at Gold Hill incident to this trip south.

A new departure as to lettering athletic teams of the public schools is in vogue, and at a recent presentation by Supt. Briscoe, the basketball personnel was distinguished by Old English letter; baseball, black letter; and foot ball by the same designation as in former years. To the boys awards were made to Capt. Heer, Guthrie, Ramsey, Young and Aitken; to the girls, Capt. Tucker, Carlton, Edson, Hoke, Hoover and Beebe. The teams have made a most enviable record in general the past school year.

A new meat market has been located at 343 East Main street, by K. Grimsley, newcomer from Gerber.

Virgil Hedgpeth, former agent at the local Southern Pacific freight depot, has been visiting here of late. He is now in the railroad service at Klamath Falls. Since leaving Ashland he has visited various localities in southern California and Arizona.

THE FOOTS CREEK SCHOOL CLOSES A SUCCESSFUL YEAR

Foots Creek school closed its session on Friday, the 27th, and a large part of the community come together for a picnic dinner on the school grounds. A vote of thanks was given to Miss Elizabeth Miller of Leland for her efficient work as teacher. Nineteen pupils were enrolled and everyone who attended the entire term was passed without conditions to the next grade. Three pupils, John Dufur, Leslie Carr and Dorothy Dehike passed the eighth grade examinations and all three expect to go to high school next year. To the delight of all, the county superintendent appeared on the scene with the diplomas for the graduates. She also brought one certificate of award for perfect attendance. This fell to Vera Vorce. But for sickness, several more would have received the same.

The school year closed with all bills paid and more than $200 in the treasury, despite the fact that only $10 has yet been received of the $133.25 which was in the Jacksonville bank.

On Monday, June 20, the district will vote on consolidation with Gold Hill.

Tom Mix Appears in Another Fine Picture

Tom Mix put over another fine western picture at the Rialto theatre yesterday. It is called "A Ridin' Romeo", and is the star's latest William Fox production.

Besides being thrilling in this story, Mix kept the viewers laughing continuously by his enactment of the humorous incidents. Mix wrote the story himself.

Bronchial Trouble Caused Anxiety

No medicine has a better reputation than Foley's Honey and Tar for quickly relieving coughs, colds and croup. It loosens the phlegm and mucus, clears the passages, eases hoarseness, stops tickling throat. John G. Hekking, 195 Burgess Place, Passaic, N. J., writes: "I was suffering from an acute case of bronchial trouble which gave me considerable anxiety. Foley's Honey and Tar deserves all the credit for my being well now." Sold everywhere. Adv.

LOCAL HISTORICAL SOCIETY FORMED JACKSON COUNTY

A meeting for the organization of the Southern Oregon Historical society was held at the library, Monday evening, May 23.

After the reading and adoption of the constitution the following officers were elected: Mr. M. A. Yothers, president; Miss Susanne Homes, first vice-president; Mrs. J. H. Klocker, second vice-president; Miss Julia Fielder, secretary; Miss Loraine Lawton, treasurer; Mr. Hedrick, corresponding secretary, and the following persons were elected executive committee: Col. Sargent, Prof. Irving Vining, Judge Watson, Mrs. C. B. Warren, Mrs. J. H. Cochran, and Emil Britt.

Col. Robert Miller of Portland was present and gave a very interesting talk about early beginnings in Rogue River valley. He emphasized the fact that the early pioneers will be gone soon and what is gleaned of the early history must be done as soon as possible.

Where gold was first discovered is now only a conjecture and has given rise to many differences of opinion.

Col. Miller dwelt at length upon the output of gold in the mining days of Jacksonville and said the fact of the great amount of gold taken out had never been given enough prominence and that if eastern capital could be induced to invest no doubt great quantities of gold would yet be taken out as only the surface had as yet been touched.

The figures given out by Mr. C. C. Beekman of gold bought over his counter was about 28 million, the merchants and others took in about an equal amount. The Chinese miners of whom there were thousands took out of the mines gold to the amount equal to the bank and the stores which gives an amount in round numbers of about 120 millions.

He also spoke of some of his Indian experiences east of the mountains.

The Historical society hopes to get its organization at work and begin the preservation of early history this summer.

Fossil sharks of earliest ages, are virtually the same as those found today.
