

BOYS AND GIRLS HOLD FORTH AT MEETING TONIGHT

Tonight at the tabernacle the Sunshine chorus will hold forth in a unique service, which will prove to be one of the most interesting meetings yet held. Many are turned away when this program is put on in other cities. Mrs. Lewis has been training the boys and girls for several weeks and many stunts and things of interest will be given by the members of the chorus choir. After this program Dr. Bulgin will speak briefly to fathers and mothers. The service tonight begins at 7:30 p. m. Meetings will be held each night this week, including Saturday and three services Sunday, the closing day. Thursday night Dr. Bulgin gives what is considered his greatest message on "Was Moses Scientific?" It should be heard by an audience that will pack the auditorium. The personal workers are asked to meet at 7 p. m. at the South M. E. church tonight. Mr. Lewis started the afternoon meetings today.

Dr. Bulgin spoke last evening on "Queen Esther's Plea for Her People." The speaker drew a striking comparison between Esther and Christ, showing how Esther was a type of Christ in her work and what she did for her people. The historical setting was shown in an interesting way, and made the lessons brought out convincing and helpful. The queen went before the king and pleaded for her people, so Christ stood before God and made His plea for the human race. When man sinned Christ went before the throne and asked that He might bear their sins that freedom might come to all. The Unitarian and Christian Scientist rob Christ of His throne. Tell me, said the speaker, what God do you know outside of Jesus Christ? Christ alone reveals the Father.

The queen showed sympathy for others, a trait of character needed today. The world is dying for sympathy. Where there is no sympathy between the husband and wife they are on the way to the divorce court. Christ came to this world not with the big stick, but as a man, a friend. God, however, cannot pardon any person till the nature of that person is in man himself. If you will not accept pardon don't blame any one, but yourself.

Many during the time when the Chautauqua has been following the services have shown marked interest, and it is expected that the spirit of the closing days will be good, and all of our people should make use of the few

nights left to hear Dr. Bulgin, who is considered by those who have heard him the greatest evangelist Medford has ever had.
