DR. BULGIN TALKS ON MOSES TONIGHT, 'KIDS' HAVE NIGHT

Tonight at the tabernacle Dr. Bulgin gives what is considered in many ways his strongest and most interesting message. It will especially appeal to thinking people, and business and professional people will enjoy the treat. Dr. Bulgin will speak on "Was Moses Scientific?" It has been asserted that he was not, and therefore the Bible records have been discounted. Only four more days remain for the campaign.

Last night the boys and girls held forth. One hundred or more of the "Sunshine Chorus" were on the platform and put on a program under the direction of Mr. Lewis, which captivated the large audience present. Their yells, stunts and work pleased and surprised the audience from the beginning to the end. Mr. Lewis is at home with the boys and girls. At the conclusion of the exercises, Dr. Bulgin gave a short talk to mothers and fathers. Friday morning the "Sunshine Chorus" meets for the last time, and in the afternoon a big feed will be served them.

Following was the order of the evening's program as presented: "America," flag song; "Hurrah Blue," Yell, "Hurrah Red," "Hurrah Blue," Recitation, "Only a Boy," Warner Kirkpatrick Song, "Good Thing to Be a Christian," Yell, "Rabbi Gobble," Exercise Piano Recitation, "Boy's Best Friend Is Mother," Harold King Song "Just Like Jesus," Yell, "Chick," Surprises Song "Flash Light," Yell, "Sackie Whoodle" Recitation "My Teddy Bear," Elizabeth Thomas Song "Sunshine Chorus" Trick by Mr. Lewis Bible Song Recitation "Deadly Cigarette," Frank VanDyke Yell "Hey, Hi, Ho" Bible Verses

FORUM HEARS TALK UPON Y. W. NEEDS

The convincing address of Miss Ida Winston Sarvay at the Medford Chamber of Commerce forum yesterday left no doubt in the minds of the members that the Y. W. C. A. has a place in Medford that no other organization is in position to fill. The work which the Y. W. C. A. does for the young women in the community is of such a character that it cannot help but build up a high moral standard and as this is the foundation for the advancement of any community, Medford cannot afford to be without this institution in the future. V. I. Shepherd of Portland, who lectured Tuesday afternoon at the Chautauqua, was prevailed upon to remain over until Wednesday so that he might address the forum. As traveling most of the time, he stated that he had every opportunity to observe the activities of the Chambers of Commerce in many communities. While he complimented the Medford Chamber, he advised them to make further strides and especially to use greater publicity as by that means did California build up her population. He suggested the southern California communities alone spent more money in advertising than all of the rest of the western states combined.

Out-of-town guests attending the forum were R. L. Putnam of Salem, Miss Ida Winston Sarvay of Richmond, Va., and the following residents of Portland: L. P. Herriman, V. I. Shepherd and L. G. Cronkhite.

JOHNSON TAKEN BACK TO SALEM

W. H. Johnson, former cashier of the Bank of Jacksonville, was taken back to the state prison Tuesday evening, by a guard from that institution after three weeks spent in the county jail. During his stay he appeared as a witness before the grand jury, and in the suits, civil and criminal, resulting from the failure of the Bank of Jacksonville. It is probable that Johnson will be called as a witness at the October term of court. Denunciations to the indictments against C. H. Owen, Mrs. Myrtle Blakeley, C. C. Kubli, and R. D. Hines will be argued before their cases are brought to trial. The guard from the state prison took Johnson to his home Tuesday afternoon, where he visited for a few hours with his mother. His wife, employed in the Jacksonville phone office, was a daily visitor at the county jail.

'KAP' KUBLI TO HUNT FOR GOLD ON FOOTS CREEK

K. K. Kubli has been bitten by the gold bug and is now on his way to his old claim on Gull creek, or rather between all and Foote creeks in Jackson County. This mine yielded "Kap" \$86,000 years ago and isn't worked out yet. Just to show you how good his old mine was—or is—Mr. Kubli says that when he was picking away at the mine the crumbs which fell from the roof upon his hat had panned out \$115. And it wasn't such a big hat at that. Well, anyway, Mr. Kubli panned out \$3000 in three weeks, by working two hours a day. Then he went on a big hunting trip in eastern Oregon. During his absence there came a big rain storm and the mouth of the mine clogged or was covered, so that when Mr. Kubli saw it he didn't feel like working hard enough to open 'er up again, so that mine has been just like that for more than 20 years. Since the Beswell mine excitement in Josephine county, people have been writing to Mr. Kubli, asking him to sell his mine. He received long-distance calls from Seattle last week and Memorial day three mining men were in town looking and telephoning for him, without making a connection. Mr. Kubli has some new information about his mine which concerns a vein which carries \$2000 to the ton, more or less and now he is on the mine headed for his old stamping ground. He says he may be around the mine until the end of the vein is reached, and he hopes that the vein extends into California.—Portland Oregonian.

FORGER GUILTY, TRIAL OF BANK ROBBERS STARTS

A jury in the circuit court this morning returned a verdict of guilty in the case of W. J. Boyd of Ashland charged with forgery.

The check which led to Boyd's downfall and which was drawn for the sum of \$75, was presented at an Ashland business house in payment for clothing and merchandise purchased, and was duly honored. Boyd, however, appears to have profited but little, as an accomplice is reported to have made a highly successful get-away with the greater portion of the proceeds of the nefarious transaction.

A jury was secured, and the state witnesses called this morning, in the trial of Frank Kodat, and Peter Stauff, known as "Dutch Pete," charged with burglary of the Gold Hill bank at Gold Hill in April.

"Dutch Pete" is a picturesque police figure of the Pacific Coast, with a prison record, being implicated in a hold up years ago of an O. R. N. train near Portland on the Columbia. With a partner he secured \$10,000 in diamonds. The partner betrayed him, by giving diamonds to women of his acquaintance, and "Dutch Pete" was sentenced to 15 years at Salem. After three years he was paroled.

When arrested for the Gold Hill crime, "Dutch Pete" and Kodat were in this city, and claim that they were in this city when the crime took place. Influential and rich friends of "Dutch Pete" came to his rescue. Attorney O. S. Blanchard of Grants Pass was retained to defend him. The court appointed Attorney W. B. Briggs of Ashland to defend Kodat.
