NO REST—NO PEACE

There's no peace and little rest for the one who suffers from a bad back, and distressing urinary disorders. Medford people recommend Doan's Kidney Pills. He guided by their experience.

Mrs. Wm. Charley, 393 N. Grape St., Medford, says: "I never had the slightest attack of kidney trouble until I fell and hurt my back. Soon after that, I began to notice my kidneys were acting irregularly and I had severe pains in the small of my back. It pained me so at times that I couldn't sleep and I could get no rest at night because of it. I used plasters and liniments but got no help. I heard of Doan's Kidney Pills and began taking them at once. In less than two weeks I felt better. I took in all four boxes and they cured me from the trouble after all other (Statement given September 14, 1917, given September 14, 1917). On March 22, 1920, Mrs. Charley said: 'I have the same good opinion of Doan's Kidney Pills as when I first endorsed them. Their occasional use keeps my kidneys in good condition.' 60c. at all dealers. Foster-Milburn Co., Mrs. Buffalo, N. Y. Adv.
