**A Gift  
That Will Be Prized**

The most suitable gift for the June Bride is one which will give her life-long happiness. Something electrical, for instance.

Something electrical for her future home—something she will prize as she uses it through future years—such a gift is most appropriate.

Here in our store you will find a wonderful selection. Percolators, chafing dishes, fans, toasters, irons, etc. They are designed on simple or ornate lines—all beautiful—all useful.

Come in and choose a wedding gift that the happy couple will appreciate—it is here waiting for you.
