

## CRATER LODGE NOT OPEN UNTIL JULY 1

There were ten guests at the Crater Lake Lodge last night and a hurry call was sent to Medford today for provisions as there was not enough food on hand to more than take care of the workmen who are making repairs. The management is sending out warnings not to attempt to go to the Lodge before July 1st. Anyone who goes in does so at their own risk and will be charged double rate because it is impossible to pack provisions in several miles over the snow to take care of guests who persist in going in before the Lodge is formally opened.

## RESOLUTIONS ON DEATH OF JOSEPH A. PERRY

We, the committee from Amethyst Rebekah Lodge No. 97, Gold Hill, Oregon, beg to submit the following, in memory of our beloved brother, Joseph A. Perry.

Whereas, God in his infinite love and wisdom has seen fit to allow the angel of death to cross the threshold of our lodge hall and enter the home of a well beloved brother, and taken from our midst one whose going is irreparable to his family and whose handclasp will be missed among a large circle of friends. Therefore, be it resolved,

That the Amethyst Rebekah Lodge extend to the family of our deceased brother their deepest sympathy. That

a copy of these resolutions be spread on the records of our lodge, and a copy be sent to the Pacific Odd Fellows, The Medford Mail-Tribune and the Gold Hill News for publication.

MINNIE L. STUCKEL,  
MABEL HITTLE,

## OIL ENTHUSIASM IN VALLEY IS GROWING

A number of Medford business men visited Colonel Mundy's oil well in the Coker Butte district yesterday and were much impressed by the showings made. The well is now down 750 feet and in spite of heavy water pressure the top of the baffle bubbled with gas, which burned with a brilliant flame, when a match was applied to the surface. Col. Mundy will now run through the rock and extend the casing, thus shutting off the water. With this excellent indication of oil and the fine showing made at the Trionia, oil excitement in the valley is on the increase again.
