## 1921 CHAUTAUQUA AT ASHLAND OPENS FOR LONG SESSION

ASHLAND, June 27.—Formally beginning yesterday, the Chautauqua period will extend from now on up to July 29, practically a month of education, fun, entertainment and recreation, supplemented by a most wholesome atmosphere of intellectual refinement and religious privilege.

"Ring in the new, ring out the old," applies to the advent of Chautauqua, and closing of revival gatherings in the evangelistic series, meetings which have been continuous under most gratifying auspices and results for the past three weeks. On Sunday the initial Chautauqua address was by Bishop Sumner, of Portland, the theme being "Civic and Social Righteousness." "The Problem of the Boys and Girls" was also dwelt upon by Dr. Henry C. Curtis. For the week ending July 2, the official schedule is as follows:

**Monday, June 27.**  
Dr. Henry S. Curtis of Oberlin, Ohio will be present the entire day and will organize the young people for new ideas of play and recreation—10 a. m. and 2:30 p. m.

**Tuesday, June 28.**  
Grand concert by the Pasmore Trio of San Francisco at 8 o'clock.

**Tuesday, June 30.**  
Recital by the concert pupils of Madame Tracey-Young at 8 o'clock.

July 1, 2, 3, 4, will be devoted to the customary ten-day stereotyped lecture bureau schedule. In other words, there will be less "plate matter" and more diversion, here and there being dates minus any specific program features, although a rarity of entertainment afforded is essentially Chautauqua in its scope, even if supplied under separate auspices.

An instance of this variance will be the appearance here Tuesday evening, July 7, of the Minneapolis all-star Elk Minstrel and Glee Club, at the Chautauqua auditorium, under auspices of Ashland Lodge No. 944. The Elks are somewhat chary in sponsoring public entertainments, but in this instance the talent is recruited from the ranks of the big fraternity, consequently its merits will pass muster and a liberal patronage will be extended.

In addition to the Normal school now in session here, an Oregon conference of Epworth League Institutes is booked for Ashland, the dates extending from July 18 to 24. "Let's Go," is a slogan, the gathering being called for seven days of friendship, worship and recreation. The local program incorporates a daily schedule of lively activities from 6:30 morning watch till taps at 10 p. m. Rev. C. A. Edwards, Methodist pastor, is local manager; Mrs. M. C. Reed, dean of women and Miss Hazel Powell, registrar. It is planned to make the enrollment 500 at least. It being a state conference, a fare and a third on the certificate plan will be a concession made by the railroads. An objective will be "A place to clarify your life's purposes." In accordance with a training school in league method at the same time, affording a splendid vacation, a jolly playground and a place of ideal fellowship. The plan for holding this conference, amid Ashland surroundings had its inception a year ago, and locally every arrangement is being made for the entertainment of guests from far and near.

## WINBURN OFFERS ANOTHER PRIZE ASHLAND PARADE

ASHLAND, June 27.—(Special.) On next Monday the great Jackson county parade and celebration will take place at Ashland. It looks as though everybody who can ride or walk will be there, either as spectators or participants in the events. The committees are getting everything ready for the big crowds.

It will be wise for as many as possible to bring their dinners with them, as the restaurants and lunch stands will be rushed to capacity. It is suggested that stools and boxes be brought to sit upon while the parade is forming and passing by, as it is estimated that it will take an hour and a half for the parade to pass a given point, once it is in motion. The crowd is asked to spread itself out along the main line of March, so there will be no unnecessary crowding on a few blocks.

The parade will undoubtedly be the most popular feature as those in charge have offered so many liberal cash prizes that the competition will be keen. Mr. Jesse Winburn has announced another cash prize for the musical features. In addition to the \$50 offered for the snappiest band, he will give \$25 in cash for most unique musical feature. This means that any kind of instrument or instruments can be used, from a fife to a grand piano. Four or more musicians will be required in any band that competes for this prize.

The stunts in the parade will alone be well worth seeing. Many will compete and take part in this feature that will make everybody laugh. The committee has put the admission charge to the big wrestling match between Thye and Hand at a dollar to all parts of the house, except a few seats at the ringside. This is about half the price usually asked for standard wrestling match such as this will be. The rays of each city and town in the county and their families will be given complimentary tickets for ringside seats.

The ball game at the high school grounds in the afternoon will follow the wrestling match, and will give the crowd a fine chance to root for their favorites. The Elks teams from Medford and Ashland are so evenly matched that the game promises to be close-

ly contested up to the last man out.

The stunts to be performed by Pangborn and Clark in the flying machine while the ball game is in progress will supply all the thrills that are good for you. These two aviators are so daring in their performances that their reputations extend all up and down the coast and well over into states further east.

Of course the fireworks display at night will furnish the spectacular features of the occasion. It will be a display such as few people have seen surpassed. The Hitt Fireworks Co., which will handle this part of the celebration, say they have some mighty big surprises in store, and thousands will say "Oh, isn't that magnificent!" when things begin to go off.

Patriotic speeches of ten minutes each will be delivered by a number of well known Jackson county orators in Lithia park while the wrestling match is on. This will entertain those who are not interested in sporting contests.

Altogether the Jackson county folks are going to show the rest of the state what they are capable of doing when they really get going.

Mrs. Chas. Loomis and other ladies toured the country Saturday lining up the different communities and getting things shaped up for the parade.

## CAN'T PRAISE IT ENOUGH, DECLARES PORTLAND WOMAN

"Two years ago I was a nervous wreck, unable to do my housework, but since taking Tanlac I am feeling just fine," said Mrs. E. C. Emerick, 1484 Boston Ave., Portland, Ore.

"I had suffered with stomach trouble for four years," she continued, "and couldn't find anything to help me. I had sour stomach and nervous sick headaches nearly all the time, and often during the day I got so dizzy I could hardly stand up. I always felt awfully tired and didn't seem to have a bit of strength or energy. My nerves were completely upset, so I couldn't even stand the noise of the children playing."

"Tanlac gave me back my appetite, corrected the sour stomach, stopped the nervous headaches, the dizzy sick spells and gave me back my strength and I also gained eleven pounds in weight."

"I just felt fine after that until I had an attack of the 'flu' that left me all run down, weak and nervous. Tanlac soon brought me right out and I can't praise it too much. My appetite is good. I eat anything I want and my food makes me feel well nourished and strong. I am doing all my housework with ease, the weakness and nervousness are gone and I have gained seven pounds!" Adv.
