

ARPELTIER AND DEMPSEY CLOSE ACTIVE TRAINING

ATLANTIC CITY, N. J., June 28.—Day is the beginning of the end of Dempsey's two month training camp. The champion is all through in his workouts in the open arena of the hot workouts this afternoon which will be staged behind barred iron in the old airplane shed back the training camp. The work will light and probably will not include size.

Dempsey weighed about 185 pounds yesterday, about three pounds over a figure he expects to scale when climbs into the ring Saturday. He expects to lose a couple of pounds today and tomorrow and another pound on he drew out Friday.

Attaches of the camp already have seen the last of getting things in gear for the champion's departure, according to present plans. Dempsey and his party will not leave for Jersey until the time to go to the arena.

MANHASSET, N. Y., June 29.—As a day for the world's championship at draws near everybody in the allegor's camp is getting nervous, except Georges and he alone appears worry about as much as a school y getting ready for a picnic. He nts to go and is having lots of fun ing preparations. Outside of this has not displayed the least anx- y.

Manager Dempsey has begun to

bring his hands and pull his hair and Trainer Wilson has betrayed a slight trepidation.

Georges only worry is his shirt hair. Show his blond pompadour was clipped by the barber of Manhattan he has been wearing a cap. He runs his hands over the top of his head and seems amused at the sensation in his fingers.

Today Carpenter entered into the final stage of training and he expects to be ready when he calls a halt tomorrow afternoon.

\$20,000 MOTOR RACE AT TACOMA, JULY 4TH

TACOMA, Wash.—Twelve automobile race drivers, most of them already famous for their work on the nation's big tracks, compete in the tenth annual Tacoma Speedway race July 4 for points toward the national championship and a winner's prize of about \$20,000, it was announced here recently.

Approximately 50,000 spectators are expected to attend the race. The course covers 125 laps of the Tacoma Speedway, which is just under two miles in length.

Heading the list of drivers entered is Tommy Milton, winner of the 500-mile Memorial day race at Indianapolis this year. Another entry will be Roscoe Scales, who took second money at Indianapolis when he finished only a few seconds behind Milton.

BULGIN FREEWILL OFFERING ASHLAND IS REPORTED \$575

ASHLAND, June 29.—The freewill offering last Sunday in behalf of Evangelist Bulgin is said to have been \$575. His assistants were provided for out of funds donated on miscellaneous expense account. The evangelist will take a long vacation, especially hitting the trail on the hunt, as is his custom during the summer vacation season.

The Eastern Star embroidery club will continue its social gatherings during the summer meetings on the second and fourth Tuesday afternoons of each month being the specified schedule.

Miss Hazel Powell, assistant at the State bank, has charge of the insurance department of Carter & Mills, during the absence of Mr. and Mrs. V. V. Mills in the vicinity of Oakland, Cal., for a fortnight's vacation, motor-ing about San Francisco and its numerous suburbs.

Preliminary to returning to the missionary field in Korea, a "good-bye" social was tendered Misses Marie Church and Alice Kim, visitors in this vicinity for sometime past, who are in

due season to renew their work at Seoul, headquarters for extended missionary effort in that section of Asia. This social reunion was held at the Methodist church on Tuesday afternoon, where a large number of casual friends gathered to bid the young ladies goodspeed on their journey. Miss Mary Young, formerly of this city, is also located at Seoul as teacher of music under missionary auspices.

Lord Mayor McLamkin, of Ashland, and Lord Mayor O'Gates, of Medford, have been tendered complimentary tickets, including ring-side privileges, to witness the wrestling bout which is to take place at the Chautauqua Madison Square Gardens on the Fourth. Similar privileges are available, in fact, to the lord mayors of all the towns throughout the valley.

Among members of the class of 1921, Oregon Agricultural college, who have received appointments for teaching positions for the forthcoming school year, Mrs. Louise Hammond, of Corvallis, and Dorothea Abraham, of Roseburg, will be connected with Ashland schools. Theina Thoms, of Ashland, has been assigned to McMinnville; Malcolm Wright, of Vancouver, Wash., to Central Point; and Otto Fox, of Lake Creek, to Dunsuir, Calif.

Frank J. Hard, of Eugene, prominent in fraternal affiliations, and who took a prominent part in staging the ecumenical held by Hillah Temple of this city, in the Lane county metropolis, March 6, 1920, died recently at San Jose, Calif. He never fully recovered from the shock occasioned by the tragic death by accident at Oakland, Calif., of his son Charles, about a year ago. The final rites were made the occasion of a double funeral for father and son, held at San Jose early in the week.

The McCracken and Lennox families, of the Valleyview neighborhood, are receiving a visit from the R. E. McCracken family of Ukiah, California, who will remain in this vicinity during the summer.

Miss Constance McWilliams, of Klamath Falls, is visiting her grandparents, Mr. and Mrs. F. G. McWilliams, and is also renewing the acquaintance, Pinetree-like, of her cousins, and her uncles, and her aunts.

Harold Simpson, state university student, is having a merry vacation in water's hardware store while his brother Glenn is attending the American Legion reunion at Eugene. Harold will remain around here for a major portion of the summer. George Stannard, Ashland student pursuing studies at Los Angeles, is another homecoming addition to the large educational colony summering hereabouts.

A lively tennis tournament is in prospect here for three days, July 11, 15 and 16, incorporating entries in the junior, juvenile, senior, and free-for-all classifications. In readiness for this tourney, the courts have been placed in prime condition.

Clyde Pangborn, birdman, will manipulate an airplane taxi before and after the Fourth, also during the celebration proper, excepting hours of the holiday strictly devoted to parade and stunt features according to contract.

Mr. and Mrs. Phil Rose, of Monterey Calif., after a brief visit at Santa Rosa, will arrive in Ashland shortly for a vacation stay of several weeks at the Eubanks home, accompanied by their young son, a bustling juvenile who has passed his first year's birthday.

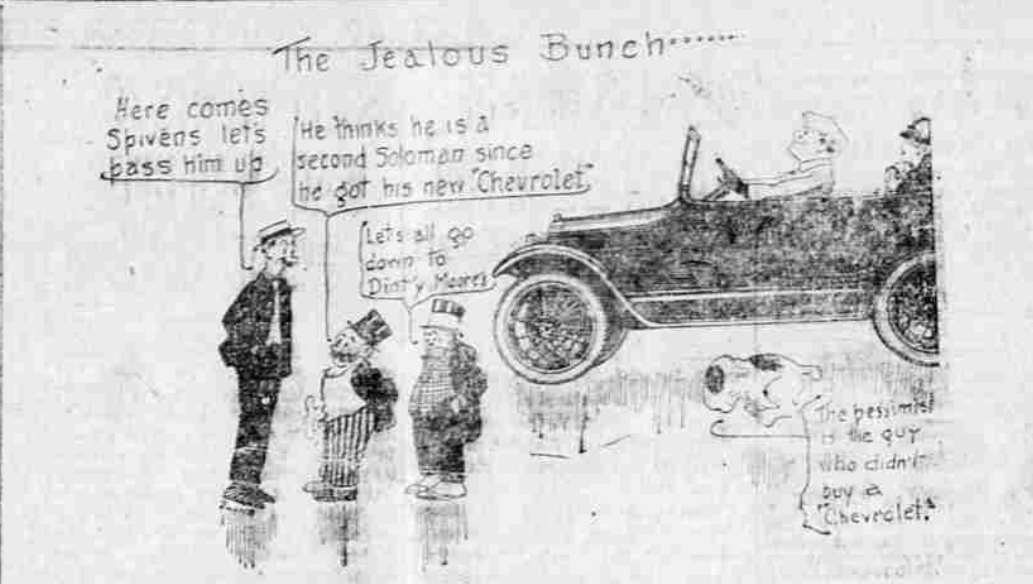

The Nazarene church will institute a series of evangelistic meetings on June 29, with Rev. Ethel Arnold in charge, Mr. and Mrs. H. G. Douglass, Seattle vocalists, will lead the singing.

At the third annual American Legion state convention, to be held at Eugene, July 1 and 2, Commander Glenn Simpson and Adjutant Don Spencer are duly accredited delegates from Ashland Post No. 14, Milt Biegel and Don Dickerson being alternates. Simpson and Spencer went overseas, and Biegel sailed the seas as machinist's mate on a government vessel carrying nitrate cargoes from Chili to Europe for ammunition purposes.

Of the pastors in town—and their name is legion—two own and operate autos. Rev. C. A. Edwards manipulates a Methodist motor, and Rev. Walter Evans is breaking in a Baptist Buick. There may be others, but they belong either to pastors emeritus, supernumerated clergy, district superintendents, or other high ecclesiastics, not filling the active pastoral relation. All of which prompts a repetition of the old query as to who was the first motorist mentioned in holy writ? Elijah, when he speeded up to heaven "on high."

The G. W. Dunn family contemplate a vacation passed in Lane county, with headquarters at Eugene. It will be a motor tour postponed from uncertain weather conditions prevailing in the spring until the arrival of the good old summertime.

One incentive for 71 years

Away back in 1850, Folger's Coffee was supplied to the early builders of the Pacific Coast empire. It was liked; it was considered good coffee.

But we were far from satisfied with this pioneer product. We constantly sought ways and means for improving it—for bringing out the best coffee flavor and for keeping that flavor absolutely uniform.

This incentive—the incentive of striving for something better—has dominated the Folger organization for seventy-one years. That is why we know you will like Folger's Golden Gate Coffee. It is the best coffee this long experience and skill in coffee roasting have produced.

You will find that it is smooth and rich;—and its fine flavor is kept for you in the vacuum tin. You will like Folger's Golden Gate for it is

"Different in taste from other coffee and better."

Ask your grocer for it.
