**JAPAN FIRM FOR
21 DEMANDS AND
SHANTUNG DEAL**

To Demand Same at Arms
Conference—Willing to Cur-
tail Navy—Premier Criti-
cised for Shirking—China
Delegates Leave.

TOKIO, Sept. 29.—(By Associated
Press.) As a part of her fundamental
policy at the Washington conference
Japan will not permit the "scrapping"
of the "twenty-one demands" agree-
ment with China and will not tolerate
interference in the Shantung question,
it was declared to the Associated Press
yesterday by a Japanese in an author-
itative position. He asserted Japan
considered these matters as accom-
plished facts which concerned China
and Japan directly. In the general
discussion of Far Eastern matters,
however, Japan was said to be willing
frankly to explain her position regard-
ing these questions.

The government is preparing to issue
special instructions to the Jap-
anese delegates concerning the limita-
tion of armaments, says the Nichi
Nichi Shimbun. It is indicated that
the project for the building of eight
battleships and eight battle cruisers
originated in the idea that this pro-
gram was necessary for the national
defense but that Japan has come to
recognize the project has lost its orig-
inal significance. She is, therefore,
prepared, in agreement with the pow-
ers, to carry out such curtailment, it is
said, as would make her navy strong
enough to maintain the peace of the
Far East.

The choice of Prince Tokuzawa, as
head of the Japanese delegation, meets
with national favor and gives the Ken-
sei-Kai, or opposition party, no ground
for attack upon the government.

Opposition newspapers, however,
turn a fire of criticism upon Premier
Hara, saying he was "too cowardly to
go to Washington himself and accept
responsibility for decisions taken
there."

PEKING, Sept. 29.—(By Associated
Press.) China's delegation to the
conference on limitation of armaments
and Far Eastern questions left this
city for Shanghai today on its way to
Washington, intending to make the
voyage across the Pacific on the
steamer Hawkeye State. Dr. W. W.
Yen, foreign minister, who has been
expected to be chief of the delegation,
will not leave today but it was said
would follow, provided China's Shan-
tung policy was determined soon
enough for him to reach the American
capital for the opening of the confer-
ence.

The diplomats who left today, were
Chow Tzechi, formerly secretary of
the Chinese legation in Washington;
Wang Tze-shih, leader of the progres-
sive party and former minister of for-
eign affairs, and Dr. M. T. Liang, for-
mer minister of foreign affairs.

The remainder of the party consist-
ed of 22 technical experts, 19 secretar-
ies assigned to various departments,
19 attaches, 17 translators and several
foreign advisers.

**MAHONEY'S SISTER
GIVES TESTIMONY**

SEATTLE, Sept. 29.—Mrs. Dolores
Johnson, sister of James E. Mahoney,
went on the witness stand today in de-
fense of her brother, on trial for the
alleged murder of his wife, Kate M.
Mahoney, last April.

Mrs. Johnson testified she was with
Mrs. Mahoney at ten o'clock on the
night of April 16 and that twice on
April 17th she talked with her over the
telephone. The state alleges that Mrs.
Mahoney was slain at about 8 or 9
o'clock on the night of the 16th, her
body packed in a trunk and thrown
into Lake Union here.

Cross examination of Mrs. Johnson
precipitated a battle of sharp words
between the witness and Deputy Pro-
secuting Attorney T. H. Patterson.
