**NAME DELEGATES  
SOUTHERN OREGON  
C. OF C. MEET**

Medford desires to have a membership in the Consolidated Chamber of Commerce of Southern Oregon and will send Benj. C. Sheldon, H. L. Walther, V. H. Vawter, O. O. Alenderfer and John C. Mann to the meeting at Ashland at the time when this organization is to be perfected which will be during this month. It is now up to Klamath, Ashland, and Grants Pass to take similar action and as soon as three of the four chambers of southern Oregon signify their intention to participate the call for the Ashland meeting will be sent out. The object of the C. C. C. is to coordinate the efforts of the communities toward advancing the welfare of southern Oregon as a whole. The tentative program includes road improvement, tourist development and the settlement of the irrigated agricultural lands. Within the next five years, at the present rate of increase of tourist travel, that crop will be worth \$2,000,000 to southern Oregon and therefore every attention to its development is considered most important.

**Red Cross Notes**

Preparations for the fifth annual membership roll call of the American Red Cross are under way throughout the county. Membership committees are being appointed by the different branches will take charge of the roll for this their community. The Ashland, Jacksonville, Phoenix, Eagle Point, Brownsboro, Lake Creek branches have held conferences with the secretaries and have responded with a fine spirit of cooperation to make the 5th roll call a memorable one. Friday morning, Sept. 30, a carload of Red Cross workers went to Eagle Point where a meeting was held in the beautiful home of Mrs. R. G. Brown. Plans were formed at this meeting, not only for the roll call, but for continuous work for the winter. From Eagle Point, this group journeyed on to Lake Creek where a sumptuous dinner, such as only the women of Lake Creek and Brownsboro can prepare was followed by a meeting, where Mrs. Schiefelbin, the home service secretary of the Jackson county chapter, outlined her work, and gave her listeners an insight into the needs of the soldiers and civilians and her methods of work. Mrs. F. W. Mears presented the organization side of the work and outlined plans for the roll call campaign and for work through the winter months. There was an enthusiastic group of over 25 women present and the workers felt well pleased with the day's work. The clean-up campaign inaugurated by the Bureau of War Risk Insurance for the purpose of reaching all ex-service men who are entitled to present claims under the War Risk Insurance act or the Vocational Rehabilitation act is underway. Budgetary estimates on the part of the work devolving on the Red Cross have been received from all the division managers, and allotments made to cover the extraordinary expense. Close co-operation between American Red Cross and the American Legion has been arranged, a representative of each organization will maintain close contact between the two at Washington, and similar cooperative arrangement will prevail in each of the fourteen Bureau of War Risk Insurance districts. To enable the American Legion to place a service man in each district for the primary purpose of assisting the Legion posts and the state department in carrying out the Legion part of the program the Red Cross will provide funds for the salaries and traveling expenses of such representatives. The local chapter of the American Red Cross is preparing a list of all ex-service men whose claims have not been thoroughly adjusted, and as soon as the itinerary of the Oregon squad is announced will notify by letter and through the press all whose names we have. Five topics will be dealt with, compensation, vocational training, insurance, back pay and mileage. Any ex-service man who is not already known to us is urged to call and prepare statements and records for reference when the squad arrives.

**BATTLERS DRILLING  
HARD FOR BOUTS**

The boxers are working hard and rounding into shape for the all-star boxing show Friday night, October 7 at the Nat. under the auspices of the Medford Boxing Commission. There will be thirty-two bouts in all. Kid Irish looks good in the training quarters and is fast on his feet, and if he can stay away from Jess Ingram's hard right the fans can look for a good bout. Fighting Johnny Carlson is working out at Gus Larson's camp and is well liked in Gold Hill and Medford. Kid Egan will have his hands full when these two boys meet. Joe Blackburn and Mike Spencer will do battle for six rounds and the public can be sure of plenty of milling when these two boys climb into the ring. There will be two preliminaries on this card and from the line-up Manager Dixon assures the fans of a good evening's entertainment. Manager Dixon has ordered a new twenty-foot ring and stage and when completed will be one of the best in the state. Tickets are on sale at Browns and the Club.

Wallace Reid, Page Wallace Reid is now playing at the Page theatre in his new production titled "The Hell Diggers." The name is one applied to dredgers because of their work in dredging the land to bring the concealed gold to the surface. The story is built around a feud in which the farmers and a great dredging corporation are the antagonists. There is action, adventure and romance in abundance, and every scene packs a punch from start to finish. Wallace Reid as Teddy Darman, an operator of one of the hated "hell diggers," he outdoes all his former efforts. If you like to see Wally Reid in one of his smashing he-man roles you cannot afford to miss "The Hell Diggers."

At the Riato "The Wallop," now attracting crowds at the Riato theatre, is what may be termed a typical Harry Carey picture. In his last two features the popular star deviated from his usual type of stories, but in his latest offering he gives the theatregoers the sort of entertainment which made him popular. The story breathes of the old west and is rife with thrills and excitement.

**MOTHER! MOVE  
CHILD'S BOWELS WITH  
CALIFORNIA FIG SYRUP**

Hurry mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.
