SAGE AND SULPHUR DARKENS GRAY HAIR

It's Grandmother's Recipe to Restore Color, Gloss and Attractiveness.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

A Wise Woman

can make her friends believe that a dry cleaned garment is new.

So can we. Our system is nothing short of wonderful. It gives the garment the appearance of a new one. Send us that old dress or suit today—we'll remake it.

Lucky? Why, man, I'm the Human Horseshoe!

I CERTAINLY was born UNDER A lucky star. FOR INSTANCE the time. I HOOKED my bonds. TO PLAY the market. ON A sure thing tip. AND BOUGHT Slippery Ellum. AT SEVENTY-TWO. FOR A healthy rise. AND FOR seven days. I HUGGED the ticker. AND COULDN'T sleep. ONCE IT jumped two points, AND I walked on air. AND THAT very day. I SAW a sign. IN A cigar stand. THAT SAID "Satisfy." IT GAVE me a hunch. TO BE satisfied. WITH WHAT I'd got. AND NOT hog the deal. SO I phoned my broker. TO SELL me out. AND THE very next day. SLIPPERY ELLUM slipped. TO FIFTY-FIVE. SO NOW I've gotten. BACK MY bonds. AND BABY'S got new shoes. AND NOW my regular smokes. ARE THE cigarettes. THAT "SATISFY."

WHENEVER you get that "Satisfy" hunch, play it. Steer straight for the nearest stand and, invest in Chesterfields. This combination of fine Turkish tobaccos, blended with Burley and other Domestic leaf, will give you a new measure of cigarette enjoyment. You're in luck from that day on.
