

POORLY MATCHED BOUTS AT NAT SPOIL SMOKER

The monthly boxing smoker at the Nat last night was a fizzle, the principal damage being done the future of the boxing game in this vicinity. There was a large crowd—the largest of the season—including many from out of town, and it will take a lot of talking before the fans recover from the fiasco.

The trouble was due to poor match-making, and resulted in three knock-outs in as many minutes.

Kid Irish fought Jess Ingram in the main event, and Mr. Irish was as helpless as if he was fighting Jack Dempsey. Ingram cuffed him, and down he went, he got up, and went down again, and finally crawled around on his knees. The one-sided affair was called off, and the crowd fled out disgusted. Kid Irish had no idea where to keep his hands, his right being cocked behind his back most of the time.

Another shame was matching Kid Egan with Johnny Carlson. Besides not having the physique to withstand Carlson, he was scared to death. He was knocked clear out of the ring, and counted out on the floor. Egan was whipped three days before he entered the ring. Time: only a trace.

Joe Blackburn and Mike Spencer staged the third crime. Mike was fat and willing, and Blackburn a rough and tumble battler, who has improved a lot in the last ten days, knocked him kicking in something like ten seconds.

The winners in the above fracas were in first class condition and the losers in about as poor physical condition as they could be without going to the hospital. Up against men of their own strength and condition the fans would have received a run for their money, but their opponents had nothing.

Kid Bennett and Battling Conard mixed in the second preliminary and gave a fair imitation of a boxing contest, but even they showed an inclination to pull their punches, when the other fellow was in trouble. Conard won the bout, and Bennett got a bouquet of roses from admirers.

A colored boy sailing under the name of Joe Gans, and a youth called Battling Nelson mixed in the curtain raiser. Gans got a lacing and a draw, and some change thrown in the ring, all in all the best match of the evening.

Mayor Gates did the honors for Medford in extending a greeting to the 26 members of the Chicago city council who passed through the city this forenoon on the south bound train en route from Portland to San Francisco. They are on a tour of the large cities of the west and Pacific coast investigating into the high living and high rent costs.

Other members of the city council were expected to be with the mayor in the welcoming stunt at the depot, but they failed to appear. The Chicagoans and the mayor held a mutual jolly fest during the long train stop, which was all the more cordial when the Medford executive announced that he was a former Chicagoan.

"Didn't I tell you when he entered the car that he looked like a man from the old 18th ward," shouted one of the Windy City fathers to his colleagues. "I can tell an 18th ward man miles away." It developed that this man and the mayor lived side by side in Chicago's 18th ward when Mr. and Mrs. Gates first went to house-keeping in Chicago, in which city their two oldest children were born.

After a further visit during which the discussion partook of a cattle like tinge with special attention to the male of the species and Mrs. O'Leary's fire starting cow, the conductor shouted all aboard, the mayor got off and the train moved on.

MEDFORD'S MAYOR GREETING VISITING CHICAGO COUNCIL

SPECIAL FRUIT PICKERS SERVICE AT LOCAL CHURCH

The spirit of the season will be entered into at the Presbyterian church tomorrow. This being the time of ingathering of the fine fruits of the Rogue River valley which are famed the country over, the church will be mecca for fruit lovers as the finest fruits of the valley will be on display. Instead of being the land flowing with milk and honey, this is the land where the trees are loaded with the most luscious pears, peaches, prunes, grapes and apples imaginable. Attractive fruit decorations, music by a quartet that is hard to beat, and sermon messages that speak of fruit bearing lives, will characterize morning and evening services to which weary fruit pickers are invited for rest and worship. A feature of the evening service will be a violin solo by Mr. Carlton Jones, who knows how to make the instrument speak over again the message of the old masters.

COMPLETE PLANS FOR BENEFIT TO GEORGE ANDREWS

Plans for the George Andrews complimentary concert are in process of preparation, and the complete program for the evening's enjoyment will be ready for publication at an early date.

The seat sale campaign will be launched next week, and the whole community thoroughly covered. A ticket committee has been formed, with Mrs. A. J. Hanby as chairman, the other members being Mesdames Bingham, Kenly, Conroy, Sheldon, Hollis, Hillis, Mundy, Owen, C. Brown, Clemens, Reddy, Alford, Newman and Holloway. The committee will hold its first general meeting on Tuesday, at the Hotel Holland, to report progress and formulate plans for the week. The work will be pushed as rapidly as possible from that day until Friday, October 14th, which has been set as the day for the completion of the members' quotas. An all-day meeting will be held Friday, with the Chamber of Commerce as headquarters, and it is the intention of the committee to have the full seating capacity of the Page Theatre sold out by that time. A special Ashland committee will push the sale of seats in that city and vicinity.

Ticket holders will have the first choice of seats at the box office, which will be opened to them in advance of the regular sale.

This office has wall maps of Jackson county, tinted at top and bottom, for sale.

POPULAR MEDFORD WOMAN PASSES AWAY SUDDENLY

The unexpected death of Mrs. Mayme L. Delin, wife of Chas. M. Delin, the contractor, one of the best known women of Medford and a popular business woman, this morning cast a gloom over a very wide circle of friends and acquaintances, the most of whom did not even know of her recent illness. She had managed the Reddy Jewelry store ever since the death of Martin Reddy, her brother, two years ago.

Her demise was sudden. Mrs. Delin had been ill at her home, No. 1112 East Main street, for the past three weeks in charge of a nurse, but her illness was not regarded as critical and she was reported as improving. This morning she seemed as well as usual, got up and walked around the room and entered the bath room, where she was seized with an attack and was dead five minutes later from complications induced by pleurisy.

Funeral arrangements have not yet been announced.

Mrs. Delin was born at Cleveland, Ohio, April 10th, 1878, and when 14 years of age located with relatives in Spokane, Wash. She was graduated later from St. Mary's academy, Spokane, and was married to Chas. M. Delin, Sept. 5th, 1905. Mr. and Mrs. Delin located in Medford in 1909, residing here ever since.

She leaves her husband, two brothers who are Dr. J. F. Reddy and Owey Reddy, and two nieces, Mrs. James Murray and Miss Helen Reddy, both of Medford.

DAIRYMEN'S MEETING POSTPONED A WEEK

The meeting of local dairymen has been postponed until Saturday, October 15th, according to a telephone message received today from County Agent C. C. Cate who is in Jefferson, Oregon, arranging for a shipment of dairy cows to southern Oregon. The meeting was originally set for Tuesday next at Gitzen's stables, North Fir street, Medford.

WOMEN PRAISED FOR EXHIBIT AT THE STATE FAIR

The attention of the people over the county is called to the exhibit of canned fruits, vegetables, meats, relishes and jellies in the Medford Chamber of Commerce windows. This is a small part of the county exhibit that won sweepstakes at the Oregon State Fair. Though these jars have traveled by freight car to Salem and return, they are still worth seeing.

The credit for this part of the exhibit is due several women over the county. The Wimer community women supplied a good part of the exhibit, and Mrs. A. E. Stratton of the Jacksonville-Central Point road was responsible for the greatest part of the exhibit.

It is hoped that this little exhibit will stir up the interest of women all over the county to help with a like exhibit next year, both for a county and state fair.

Medford High School Notes

Miss Carrie Haywood, who helps Miss Carroll in Domestic Science and takes the physical education of the grammar schools, has arrived and began work Monday.

Miss Stoltenberg, the physical training instructor has announced that class volleyball teams are to be selected and inter-class games are to be played. Last year the girls had some very good teams and it is hoped that they will have better ones this year.

Fifteen minutes every other morning has been given up to assembly songs. The students enjoy them and learn not only old folk songs, but school songs and yells which may be useful in the coming football games.

The civics classes of Mr. Reinemer and Miss Smith have been visiting the Federal Court. Mr. Reinemer's classes went Thursday morning, while Miss Smith's classes went in the afternoon. The students enjoyed them and took great interest in solving in their own way trials which they did not hear finished.

The teachers' training class has finished observing the teachers and have begun actual teaching.

Mr. Thompson's agricultural class went to the fair in Grants Pass and is planning to go to Portland in November to the state fair.

The manual training boys have made several articles of much needed furniture for the high school and are now planning their projects for the year.

Mrs. Strook, Miss Van Sant and all the high school English teachers are revising the out-side reading lists. New and interesting books are being entered.

The band has made a wonderful start this year and we hope they will continue. There are two bands, senior and junior. Senior band is for what is left of last year's band and advanced students, while the junior band is for beginners in high school and grade school students. Many of the boys have bought new instruments and all look for a prosperous year.

record, the eight runs another, and the twelve men who batted still another. Pep Young's two hits in the seventh inning, one a double and the other a triple, also made history. The time required to play the nine innings—two hours and forty minutes—added a few lines to the records.

20 Hits Is Record

Twenty hits for one team in one game never were recorded before in a world's series. Burns garnered four of them, three singles and a triple and Snyder got four singles. Kelly and Pitcher Toney were the only Giants who failed to connect at least once. George Burns' great run and capture of Qutan's drive toward the center field bleacher wall will go down in baseball history as one of the greatest plays of the game. It will be mentioned along with Aaron Ward's leaping one-handed catch of Rawlings' liner toward right, in the second, which enabled the Yankee keystone sacker to double Emil Meusel off first and pull Bob Shawkey out of a deep dark hole.

Toney's showing for the Giants was disappointing, but big Fred had a

HAD NERVOUS BREAKDOWN

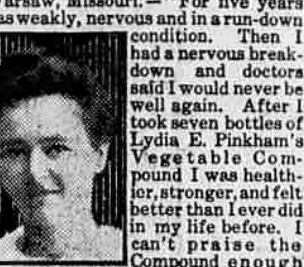

Warsaw, Missouri.—"For five years I was weakly, nervous and in a run-down condition. Then I had a nervous breakdown and doctors said I would never be well again. After I took seven bottles of Lydia E. Pinkham's Vegetable Compound I was healthier, stronger, and felt better than I ever did in my life before. I can't praise the Compound enough and will recommend it to all women. You may publish this letter if you think it will help others."—Mrs. FLOYD IRELAND, R. R. 1, Warsaw, Missouri.

Nervous women are both ailing and wretched, and with a nervous breakdown all joy goes out of a woman's life. It is said that the ills peculiar to women act on the nerves like a firebrand.

Lydia E. Pinkham's Vegetable Compound is so successful in overcoming such conditions, a large number of American women who were once great sufferers from nerve troubles owe their present health and comfort to Lydia E. Pinkham's Vegetable Compound.

Write Lydia E. Pinkham Medicine Co., Lynn, Mass., about your health.
