Children's Ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.

6247 TOURISTS STAYED AT LOCAL AUTO CAMP 1921

At the suggestion of the Medford Chamber of Commerce, the caretaker at the auto camp grounds, Wm. Davis, has kept a record of the number of automobiles and tourists who stopped overnight at the Medford grounds. This record shows that the money expended was well invested and that Medford can afford to improve the grounds for next year.

Months	Cars	Tourists
May 9 to June 1	188	591
June	290	898
July	458	1,461
August	668	1,960
September	433	1,334
Total	2,026	6,247

The expense of building the improvements at the grounds this year, together with the salary of the caretaker up to October 1st amounted to \$1,117.

SASNETT ASSIGNED TO MEDFORD POST

FOREST GROVE, Ore., Oct. 11.—Rev. J. H. Sasnett was assigned to Medford in the list of appointments announced at the Oregon conference of the M. E. church yesterday.

CARNIVAL COMPANY AUSPICES OF ELKS

Levitt, Brown and Huggins' shows, which are to play for six days' engagement, October 17 to 22, under the auspices of the Elks' drill team, has been out on the road for 122 weeks without a stop, playing for civic and fraternal organizations throughout the northwest. It is at the present time playing in Eugene.

Harry L. Gordon, advance agent, who is here at the present time, arranging all the details, states: "Our shows are refined and moral and we do not carry objectionable features with our company. When the company arrives here they will be open for inspection to the public. There are over 200 people in the company. They all have to buy their meals, and about 225 will room out in the city, and all incidentals will be bought while the company is filling their engagement here. The running expenses of this mammoth organization amounts to \$800 per day."

The feature of this company is the trained wild animal arena. The other attractions are all good ones.

HOLD DEMONSTRATION KERR PRODUCTS, ASH.

Following up the series of demonstrations for the famous Kerr cereals and flours held in Medford last week, the Kerr-Gifford company has arranged similar demonstrations in Ashland this week. Hundreds of Medford people enjoyed the delicious waffles and cereals which were served at local grocery stores with the compliments of the Kerr-Gifford company and Ashland people now have an opportunity to enjoy similar little lunches while the demonstrations are held in that city.

These demonstrations are being held to convince those who are not already users of Kerr flours and cereals, the superiority of this product.

ASHLAND ENTHUSIASTIC OVER ANDREWS BENEFIT

Mrs. Delroy Getchell, A. J. Hanby and A. J. Klocker visited Ashland yesterday in the interests of the George Andrews Complimentary concert. They were received most cordially and promised hearty cooperation on the part of the Commercial club and the musical circles of the city, who pledged a large delegation to honor Mr. Andrews on the evening of October 25.

It's a Grand Old Remedy. You can't keep strong and well without sleep. Whether your rest is broken by a painful hacking cough or just an annoying tickling in the throat, the system becomes weakened and run-down. Mrs. K. D. Drake, Childs, Md., writes: "After an attack of the 'flu' I was left with a severe cough. Nothing relieved me till I used Foley's Honey and Tar, which I can highly recommend." It covers irritated membranes with a healing and soothing coating, loosens phlegm and clears air passages. Sold everywhere. Adv.

FRENCH MILITARY PRISONERS HEROES R. R. CATASTROPHE

LYONS, France. — Handcuffed in pairs and in charge of four gendarmes, 12 French military prisoners enroute for Algeria to serve sentences ranging from five to 15 years, were aboard the Strasbourg-Marseilles express when it jumped the track at Les Echets a few miles from here. Forty passengers were killed and 70 injured.

None of the prisoners was seriously hurt, but three gendarmes were killed and the other pinned under the wreckage, lay seriously wounded.

All semblance of authority and order had disappeared. The prisoners were free but, instead of running away, they pulled the wounded gendarme out of the tangled mass of wood and iron and laid him on the grass. During the night they rescued 31 injured passengers. Then they gave themselves up.

They have since left for Algeria to serve their sentences but it is understood that the minister of war is studying the case and the opinion is expressed that, in due course of red tape, they will be pardoned.
