CALUMET
HAS RAISED A NEW
STANDARD FOR
BAKING POWDER

Because it's made in the most careful and scientific manner from absolutely pure materials that remain pure in the baking and insure wholesome, healthful food.

Because it possesses the greatest leavening power.

Because it is not affected by time or weather—it never loses its strength and never fails.

Because it is more economical—you save when you buy it and you save when you use it.

These are a few of the reasons why Calumet is the standard baking powder—the choice of millions—more being sold than of any other brand.

Try it—always buy it. Your grocer can supply you.

CALUMET
BAKING POWDER
A pound can of Calumet contains full 14 oz. Some baking powders come in 12 oz. cans instead of 14 oz. cans. Be sure you get a pound when you want it.

**DRUGS EXCITE YOUR
KIDNEYS, USE SALTS**
If your Back is aching or Bladder
bothers, drink lots of water
and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the seed of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

Here is an item of interest to all rural school teachers, from the Salem Statesman: "In traveling about the country visiting schools, Mrs. M. C. Fulkerson, county superintendent, notes that a number of teachers do not understand the flag etiquette, nor do they know that the law requires the flying of the national flag during school hours. The school law requires that the flag shall be flying except in bad weather, and that it shall be lowered, properly folded and stowed away each evening after school hours."

The Screen

At the Rialto
"The Journey's End," an adaptation of the story "Ave Maria," with Mabel Ballin in the leading role, will be presented at the Rialto theatre for four days' engagement tomorrow.
In the production the management of the Rialto is able to announce one of the most remarkable motion pictures ever presented, in that a strong dramatic story is perfectly told without the use of a title and also without the use of excessive footage of film. This picture is hailed by reviewers and critics as a masterpiece, and also as a fine human interest drama, beautifully acted and wonderfully produced.

At the Page
No more romantic characters have ever figured in literature or the drama than the Royal Northwest Mounted Police, the red-jacketed bloodhounds of the pine-clad woods who uphold the majesty of the law beyond the circle of civilization. This famous constabulary is known the world over for deeds of courage and bravery. The members of this corps are the center of interest in the capture of Dr. Brumfield in Canada, also in the feature, "Man Trackers," coming to the Page theatre tomorrow.
