

### Her Old Skirt Dyed to Make Baby a Coat

Each package of "Diamond Dyes" contains directions so simple any woman can dye or tint her old, worn, faded things new. Even if she has never dyed before, she can put a new, rich color into shabby skirts, dresses, waists, coats, stockings, sweaters, coverings, draperies, hangings, everything. Buy Diamond Dyes—no other kind—then perfect home dyeing is guaranteed. Just tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton, or mixed goods. Diamond Dyes never streak, spot, fade, or run.

### FOR REDUCTION FREIGHT RATES TO AID JOBLESS

WASHINGTON, Oct. 11.—Readjustment and reduction of railroad freight rates constituted one of a number of recommendations formulated for presentation today to the national unemployment conference for bringing about a permanent betterment of the nation's commerce and industry with consequent relief of unemployment.

value of the commodities and reductions in charges on shipments of primary commodities, but with proper attention to maintenance of financial stability of the carriers.

Other resolutions, which will be presented to the full conference late today recommend:

Speedy enactment of tax legislation with its contemplated reduction of levies in order that business may be promptly revived.

Immediate determination of the course of congress with respect to tariff legislation to enable business to decide upon its future conduct and policies.

Settlement of the government's financial relationship with the railways, having in mind the immediate necessity for increased betterments making effective increased railway employment and stimulation of general employment.

Limitation of world armament and consequent increase of tranquillity and further decrease of the tax burden not only of the United States, but the other countries.

Action looking to the minimizing of fluctuations of exchange.

Definite programs of action that will lead to more regular employment in seasonal and intermittent industries, notably in the coal industry.

Re-adjustment of the buying power of the different elements of the community to a more relative plane.

The resolutions were understood to present the view that a disproportion exists between the price of primary commodities and the ultimate retail price, this being due to increased costs of transportation, enlarged profits, interests, taxes, labor and other charges.

### POPULAR ONE CENT SALE WEST SIDE PHARMACY

The semi-annual one-cent sale of the West Side Pharmacy will be held Thursday, Friday and Saturday of this week and their ad will be found elsewhere in this paper. This sale was developed by the United Drug Co. as an advertising plan. Rather than to spend large sums in other ways to convince people of the merits of Rexall products, they are spending it on this sale in permitting the local dealer to sell a full size package of high class merchandise for 1c. As an illustration: you buy a tube of Rexall tooth paste at the standard price of 25c and by paying 1c more, or 26c, you get two tubes. These sales have become quite popular at the local drug store and Mr. Woodford has put in large stocks for this occasion.

### Young Girls Need Care

FROM the age of twelve a girl needs all the care the thoughtful mother can give. Many a woman has suffered years of pain and misery—the victim of thoughtlessness or ignorance of the mother who should have guided her during this time. If she complains of headaches, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter make life easier for her. Lydia E. Pinkham's Vegetable Compound is especially adapted for such conditions. It can be taken in safety by any woman, young or old.

Guttenberg, N. J.—"My daughter was all run down and had fainting spells often, had a bad complexion, and suffered at her monthly periods. Her grandmother had been taking Lydia E. Pinkham's Vegetable Compound for the Change of Life, and got a bottle of it for her. She began to improve with the first bottle and took five in all and was entirely restored to health. For a time she had not been able to attend school, but she does now. She recommends Lydia E. Pinkham's Vegetable Compound to her friends and I give you permission to publish this letter as a testimonial."—Mrs. CATHERINE McGLOVE, 304 24th St., Guttenberg, N. J.

Roxbury, Mass.—"My daughter is a schoolgirl and she suffered very much with irregular periods, painful cramps and dizzy headaches. She was sometimes as long as three months between her periods and when they came she was not able to do her school home lessons because she could not even sit up. A copy of one of your little books was left in my letter-box and she began to take Lydia E. Pinkham's Vegetable Compound for her troubles. She is now in good health, is regular and can help me with the housework when not in school."—Mrs. VICTORIA G. SPIESSERT, 74 Bragdon St., Roxbury, Mass.

### How To Get Relief From Rheumatism

Scientists Agree That the Cause is Due to Waste Products in the Blood.

The blood is the means by which all tissues, muscles, ligaments and flesh of the body are directly or indirectly nourished. It is also thru the blood stream that worn-out tissues and waste products are cast out of the system. When waste products accumulate, they are a menace to life. They cause a lowered vitality, many skin disorders and rheumatism. Genuine relief from the agonies of rheumatism can be had only by correcting the basic trouble—waste products. Thousands and thousands of men and women during the past 50 years have cleared their blood of waste products with S. S. S. It is the ideal remedy for rheumatism, because it removes the poisonous waste matter which is causing the trouble. There are no bad after effects and the result is wonderful. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free. Personal medical advice, without charge, may also be had by sending a complete description of your case.
