

MEDFORD HAS A BRUMFIELD CASE ALL HER OWN

The work of securing a jury to hear the case of the U. S. against Issen Walleck and Brumfield, Douglas county residents was begun today. The defendants were charged with maintaining a still in the mountains near Roseburg. The contraband made of copper and hinge in proportion was exhibited in court as part of the evidence.

Walleck, one of the defendants, has turned state's evidence, and will be a witness for the government. The defendant, Brumfield, is no relation to the dentist now on trial for his life at Roseburg, though he knew him well, and was from the same town.

The defendants were tried in Portland at the last term of court on the same charge, and the trial resulted in a hung jury.

The jury in the federal court hearing the evidence in the civil action of the government against Silas W. Kilgore, for alleged trespass on the grazing precincts of the Fremont National Forest reserve, began its deliberations this morning at eleven o'clock. The government seeks actual damages of \$195 and punitive damages of \$125.

It was contended by the defense, represented by Attorney Manning of Klamath Falls, that the defendant had exercised care in keeping his stock off the Fremont reserve, and that whenever notified of a trespass, he took prompt steps to remedy it. The defense intimated that stock running on the Modoc reserve in California, which adjoins the Fremont reserve had been driven so they would naturally drift onto this territory, and the courts instructions were that the defendant was not to be held responsible, if it was shown that this was without his consent or knowledge.

TO SOLICIT FUNDS FOR MRS. FRANKLIN LANE

WASHINGTON, Oct. 13.—Decision to open the Franklin K. Lane memorial fund to public participation was announced today by the memorial committee composed of Secretary Hoover, Franklin D. Roosevelt and Adolph C. Miller, member of the federal reserve board. This decision was made, the committee announced, in view of the "widespread appreciation of the obligation which rests on the friends and admirers of a public man to make provision for his widow, which the slender emoluments of public office make impossible."

Income from the fund will accrue to Mrs. Lane during her lifetime, after which the committee said it probably would be used to promote work in the field of Americanization, to which the former secretary of the interior devoted a great part of his labors.

HOWAT IS FIRED

(Continued from Page One)

District board members prepared to hold a meeting.

When Peck entered the headquarters of the district union and asked that the place be turned over to him, Flemming refused to do so.

Legal proceedings to obtain possession of the offices are expected today.

MOTHER! OPEN CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP

Your little one will love the "fruity" taste of "California Fig Syrup" even if constipated, bilious, irritable, feverish, or full of cold. A teaspoonful never fails to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the sour bile, and undigested food out of the bowels and you have a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

Berkeley Students Ask for S. P. Box Car To Portland Contest

BERKELEY, Cal., Oct. 13.—The Southern Pacific company has been asked for its "very best rate" for a box car to convey a group of University of California rosters to and from the Pacific coast conference football game between California and Washington State at Portland, October 29.

The students have offered \$1 a head for the trip, but will "listen to reason" from the railroad company, it was announced. They do not care whether it is a fast or slow freight, just so that they get to the game in time.

In the group are some "big C." or letter men, who themselves are notable athletes. They announced they could not meet the regular passenger tariffs but they "just had" to see the game.

MAN FOUND DEAD ON S. P. TRAIN

John Erickson, a native of Norway, 24 years of age, was taken sick last evening in Ashland while on board Southern Pacific train No. 53, en route from San Francisco to Vancouver, B. C., and upon the arrival of the train in Medford was found dead in the toilet. Death is attributed to heart failure or apoplexy. Erickson was a member of the Seaman's Union and of the Fisherman's Union and carried an alien seaman's identification card which showed that he arrived in the United States at the port of San Francisco in April, 1919.

A wire was received this morning by John Perl, who as county coroner is in charge of the body, stating that he would receive directions regarding the disposal of the body. The wire was from Jack Erickson, the brother of the deceased.

S. P. PRESIDENT HERE

(Continued from Page One)

ed to a point where the pavements can stand up under them, and a five ton load on one truck is too much, this problem will undoubtedly work out satisfactorily and the interests of the public and all parties concerned will be maintained."

President Sproule and the party of Southern Pacific officials who met him in Ashland yesterday afternoon, came over from that city to Medford this forenoon, and visited here until this afternoon when they left for Grants Pass, from which city they expected to depart tonight for the Coos Bay section.

The party were John M. Scott, general passenger agent; E. L. King, the new superintendent of the Shasta division; I. T. Sparks, traveling passenger and freight agent; W. F. Miller, assistant general freight agent, and F. E. Mayo, division engineer, Mark Montgomery, local Southern Pacific agent, chaperoned Mr. Sproule and party during their Medford and Ashland visits, and accompanied them as far as Grants Pass.

Approve Livestock Loans

WASHINGTON, Oct. 13.—Loans totalling \$315,000 were approved today by the war finance corporation, including one of \$215,000 to a Wyoming bank for loans on livestock.

Try This for Indigestion

Poley Cathartic Tablets are just the thing for constipation. Their action is wholesome and thoroughly cleansing, without griping, nausea or inconvenience. They banish headache, biliousness, bloating, gas, bad breath, coated tongue and other symptoms of disordered digestion. Mrs. H. J. Marchand, 36 Lawrence St., Salem, Mass., writes: "I used Poley Cathartic Tablets for constipation with good results. I keep them in the house." Sold everywhere. Adv.

HARD ELECTRIC STORM UNUSUAL WEATHER FREAK

An unusual thing for Medford and the valley for any time of the year, more especially in October, was the thunder storm which broke about 3:45 p. m. yesterday and which lasted several hours, during which 2.8 of an inch of rain fell, and there was much sharp lightning accompanied by loud thunder detonations.

This rain broke the long late summer and fall drought, but much more precipitation fell in the south end of the county. At Talent .75 of an inch fell according to a report from the Southern Oregon experiment station this morning. At Ashland there was a heavy hail storm which it is said covered the ground with two inches of hail.

The only report of fires started by lightning received at the federal forestry office here up to noon today was one from the Siskiyou national forest headquarters at Yreka, stating that a fire had been started during the storm at the south end of the Crater national forest.

More rain is the prediction for tonight and Friday.

PAGEANT TOMORROW AT THE HIGH SCHOOL

The Lincoln school will give a mock trial and pageant at the high school tomorrow at 2:30 p. m. to which everybody is invited. Students will be dressed to represent the different fire hazards and it will be interesting for all. The play is entitled "The Trial of Fire." Parents as well as all others who can, should attend.

There has been a liberal response by parents in returning the questionnaires sent out by the high school and valuable data is being secured to prevent fire hazards.

A fire drill was held at the high school Wednesday and at the grade buildings Monday and today. The new fire escape was used at the Washington building today and will be used at the Lincoln building tomorrow.

SENATOR KNOX DROPS DEAD

(Continued from page one.)

early consideration probably his last public work, the peace treaty with Germany negotiated on the basis laid down in the peace resolution which bears his name.

Senator Knox was stricken suddenly last evening as he was about to enter the dining room of his residence on K street, for dinner. He suffered a paralytic stroke and died within fifteen minutes without regaining consciousness. Mrs. Knox and his secretary, W. F. Martin, were with him at the time.

GIANTS WIN CHAMPIONSHIP

(Continued from Page One)

a home run, going foul by a foot. Burns got a single into left, Nehf going to second. Peck threw out a Baneroff t first. No runs, two hits, no errors.
