

NOTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.

R. RIVER PASTOR NEW MEDIATOR S. O. PRESBTERY

The fall meeting of the Presbytery of Southern Oregon was held on Tuesday and Wednesday at the Rogue River church, attended by Presbyterian ministers and elders from Rogue River valley, Klamath Falls and churches as far north as Roseburg and Oakland.

Rev. Aaron Wolfe, pastor of the Rogue River church was chosen mediator of the Presbytery for the ensuing six months, to succeed Rev. E. W. Warrington of Roseburg, who has just been called to Corvallis to become Y. M. C. A. secretary at the O. A. C. Rev. L. B. Quick, recently pastor of the Calvary Presbyterian church of Portland, will succeed Rev. Warrington at Roseburg. He supplied the Roseburg church for about a year, during Mr. Warrington's absence overseas in "Y" work during the war, and so is already well known to the Roseburg people. The Roseburg church and the entire Presbytery are very sorry to lose Mr. Warrington from the work in southern Oregon, where his work has been notably successful.

Joseph W. Angell, pastor of the Phoenix church, was elected stated clerk and treasurer of the Presbytery to complete the three year term of Rev. J. W. Hoyt, who recently moved from Ashland to Walla Walla, Wash. Rev. H. G. Hanson, pastor of the Grants Pass church, has also recently removed, to take charge of the Presbyterian church at Moro, Ore.

On Tuesday evening five men from the Phoenix church, with their wives, attended the meeting at Rogue River, when Rev. E. W. Warrington gave a stirring and most interesting address on "Evangelism," and Rev. E. P. Lawrence, pastor of the Medford church, spoke on the "New Era" work of the church. A number of Medford people were also present and several from Phoenix on Wednesday evening, when Rev. C. F. Koehler of Ashland presided.

The Presbytery took decided action favoring disarrangement, and also the admission of women to the office of deacons in the churches, but opposing a two year term for commissioners to the general assembly, which meets annually, next year at Des Moines, Ia. This year the meeting was at Winona Lake, Ind., and was attended by nearly 1000 delegates from all the states of the union and from foreign countries.

Rev. E. P. Lawrence and Dr. W. P. Holt of Medford were nominated for such commissioners for the meeting at Des Moines, next year.

HARVEST HOME SUPPER, PHOENIX OCTOBER 21ST

The ladies of the Phoenix Aid society are planning for one of their famous "harvest suppers" to be given next week Friday night, Oct. 21, in Clyde hall opposite the Phoenix post office, on the highway. This will be more fully announced later and will doubtless draw a big attendance from Phoenix and other points in the valley.

A number of Medford young people led by Cash Wood, county "Y" secretary, will sing and speak at the Sunday night meeting at the Phoenix church at 7:30, Oct. 16th. This will be a picked delegation from the Medford Union Young People's Christian Workers Band, and an interesting service worth while for all to attend. They will have entire charge of the service, and everybody is particularly invited to hear them. Young people's meeting at 6:45.

At 11 a. m., Sunday, the pastor will preach and Mr. J. S. Bonar and others will speak briefly, who attended the fall meeting of the Presbytery of Southern Oregon this week at Rogue River. Special music.

Next week Wednesday the ladies of the church and community are invited to meet at the home of Mrs. T. J. Malmgren for the October meeting of the Women's Missionary society, at which Mrs. Malmgren and Mrs. Donna Grafka will speak on "India" and "Alaska." A program of special interest.

FORMER MEDFORD GIRL IS CAUGHT BY CUPID

Miss Hazel Vern Rader has announced her engagement to Charles Henry Blesse, who is with the Equitable Life Insurance company in Oakland, Cal. The wedding date has not been set.

Miss Rader is a graduate of the University of Oregon, class of 1915. She is well known among the college set. She is a member of Kappa Alpha Theta woman's fraternity. Miss Rader taught in the physical education department at the university for three years after her graduation and then went to Oakland, Cal., where she is assistant head of the physical education department of the Oakland Technical high school. Cards announcing the betrothal have been issued by the bride-elect and are being received by Portland friends.—Pendleton Oregonian.

Miss Rader is a former resident of this city and was well known and popular. She was physical director for girls in the high school for one term.

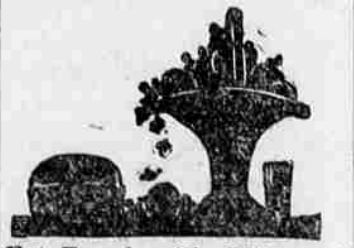

LOCAL GAS CO. TO BE ENLARGED AND IMPROVED

The Oregon Gas & Electric Co. has been reorganized and will soon be re-incorporated, and the plants at Medford, Grants Pass and Roseburg will be greatly improved and put in first class shape and the company is preparing to go after business.

T. B. Petch, who was with the company here in 1911 and 1912 and who has been made manager of all the new company's properties in southern Oregon has his headquarters in Medford and is now at work on re-arranging the office at 209 West Main street and about November 1st will have it completed and will carry a full line of gas stoves and appliances.

The plant near Phoenix is also being improved and the distribution of gas from there for both Medford and Ashland will be continued but they will be put on independent lines which will increase the pressure and service for both. Mr. Petch says the company will spend \$30,000 on the plant and office at Medford alone.

Another Big Game

Warmth vs Cold

The World Series is over, but the big game is just opening up all over the States. COLD with his usual aggressiveness, has put Rain in the box, with Rheumatism behind the bat. Cough is on first with Neuralgia on second. Grippe on short, and Pneumonia holding the third sack. In the outfield, Sore-throat is left, Flu in center, and Diphtheria in right. Sorrow on the bench.

Combatting this powerful well trained organization Old Daddy Warmth has put Old Man Calorie the Pipeless Furnace Kid in the box, with Bridge-Beach behind the bat, Wood Superior on first, Holly Beach on second, Wanda covers short, and Yuma Beach on third. In the field the Oil Stove Brothers, Perfection and Barber, left and center, with Down Draft Vortex in right. WARMTH has placed Crater Lake Service on the bench, who are ready to set up the stoves as fast as the putouts are made. So the game is on.

The facts of the game are this: That we have a combination of Stoves and Heaters, THAT WILL COMBAT COLD, and are ready, to set them up, when you say so. Come in and look them over, or see them on display in our show windows.

GATES TIRES

The Tire with the Wider and Thicker Tread

Before You Buy a Tire—

Just remind yourself of this fact. It's the rubber tread of your tire that gets all the road wear and takes all the bumps.

Then make sure that you are getting full value for your money by looking carefully at the tread.

You will find that the Gates Super-Tread Tire has a wider and thicker rubber tread. That's why users everywhere are getting a lot of extra mileage out of it and they will tell you so.
