

BRISCOE ELECTED NEW PRESIDENT COUNTY TEACHERS

Teachers' Institute, held for three days at Ashland, closed at 4:15 on Wednesday, and the majority of the teachers fled away to their respective districts in order to teach the two remaining school days of the week, and this meant a sixty mile drive for some of them.

The last day scored some important points in the Jackson county teacher world. First, the county unit of the Oregon State Teachers' association completed organization by electing officers under its new constitution. The officers are: President, Supt. G. A. Briscoe, Ashland; vice president, H. P. Jewett, Talent; secretary-treasurer, Ray Henderson, Central Point. These officers together with Mrs. Edna B. Allen of Ruch and Supt. Susanne W. Homes form the executive committee for the county.

Secondly, among the resolutions adopted was one pledging support of the teachers to the "County Unit of Administration Measure" which Ben Sheldon introduced into the last legislature. This measure was presented to the teachers by Asst. State Supt. W. M. Smith and an hour was given to discussion of it—lively discussion, too. Only one county in Oregon is at present under this form of school administration, Crook county, where the measure was voted by the people last August.

Third, the following names received majority vote for officers of the State Teachers' association: President Crowell, vice president, G. W. Ager, and for members of executive committee, E. H. Hedrick, Central Point, and O. C. Brown, Roseburg. Jackson was quick and proud to put unanimous vote for G. W. Ager, former county superintendent, as O. S. T. A. vice president to be.

Representatives to O. S. T. A. council were selected as follows: Since Jackson county is now entitled to five representatives, Walter R. Hughes, Ashland; Inez Willis, Trail; Jessie B. Wilson, Medford; E. H. Hedrick, Central Point; Almeda Fuller, Sams Valley. Alternates, G. W. Milam, Phoenix; Mrs. Ada East, Neil Creek; W. R. Putnam, Gold Hill. Jackson county scored 100 per cent membership in the State Teachers' association or O. S. T. A. as familiarly cited, which means 221 members this year.
