

### 2 PLEAD GUILTY IN CIRCUIT COURT, OTHERS TO TRIAL

Raleigh Matthews, charged with second degree murder for the fatal shooting at Eagle Point last September of Wilbur (Wig) Jacks, was arraigned in the circuit court at Jacksonville this morning, and entered a plea of not guilty to the indictment. The court will set a date for trial later.

James (Shine) Edwards, John Goodwin and Ernest S. (Dud) Waggamott, indicted on bootlegging and moonshine charges arising out of the prohibition raids of last August, were also arraigned, and all three entered pleas of not guilty.

C. Oswald, charged with the manufacture of intoxicating liquor on Griffin Creek, was arraigned and entered a plea of guilty, and was sentenced to three months in the county jail.

James Houseley charged with a violation of the Volstead act was allowed until Monday to plead.

John H. Lewis, charged with receiving stolen goods, and nicknamed "J. Ham," after the famous Illinois politician, filed a demurrer, which was overruled by the court, and "J. Ham" then entered a plea of guilty.

Ward Chamberlain, indicted for burglary, filed a demurrer which was overruled by the court, and given until Monday to plead.

Routine business was transacted by the court.

The petit jury of the circuit court will be called Monday, and a civil case will probably be the first case on the docket.

### JACKSON COUNTY BOY PROMINENT O. A. C. THIS YEAR

J. Roland Parker, son of Mr. and Mrs. C. M. Parker of R. F. D. No. 2, Medford, registered at the beginning of the fall term as a senior student in the school of agriculture with pomology as his major course of study.

Parker has been actively engaged in student affairs. He is vice-president of the horticultural club, second lieutenant in the artillery unit of the cadet regiment and night editor of the Barometer, and president of Pi Kappa Alpha fraternity this year. Last year he was elected to the honorary agricultural fraternity, Alpha Zeta. He was also a member of the agricultural club, manager of the Oregon Countryman and assistant editor of the Barometer last year.

The horticultural work which Mr. Parker is taking deals with the principles and practices of fruit growing, frost fighting, thinning, fertilizing, pollination, economics of fruit-farm management, sprays and spraying, study of different varieties of fruits and their adaptation and markets, and other essential courses dealing with diseases, grafting and the like. In addition to the horticultural work the student is required to take work in other departments of the school of agriculture and general educational subjects.

The student who completes the two years of basic work as is required by the school and the two years of major work as outlined by the horticultural department should be able to take up fruit farming, county agricultural agents work, teaching or experiment station work. It is the intention of Mr. Parker to go into the fruit growing game.

#### 600,000 MEN OPPOSE STRIKE

(Continued from Page One)

paigms as a princely wage. Until January 1, 1918, \$80.10 was the princely wage some fifty odd thousand railroad men received in what is known as the eastern territory.

#### Railroads Not Fair

"Other wages were in proportion to the wages of the freight brakemen.

"With the reduction in wages of July 1, 1921 the present wage of this employe is \$134.40 for thirty days in the month, and he is fortunate indeed if he is able to make every day in the month. There are comparatively few men now making full time. It is true that the railway companies show wages earned in much higher amounts than those quoted but they do not tell that the higher monthly amounts represent full time and overtime.

"The railroad companies have not been fair in the propaganda against the employes and it is to be hoped that before the trouble is over that prejudiced opinion, based on railroad publicity misstatements will understand the exact wage that may be earned through the normal day's work."

WASHINGTON, Oct. 22.—The compromise income surtax plan, embodying a maximum rate of fifty per cent, was adopted today by the senate.

### FRANKIE O'BRIEN TO MEET BENNY DIXON AT SMOKER

A signed contract has been received by the local American Legion post from Frankie O'Brien, Portland boxer who will meet Ben Dixon here in a ten-round bout as the headline attraction of the smoker which will be one of the features of the Armistice day celebration.

In selecting the boxers for the main event the legion smoker committee got in touch with one of the best informed sporting editors on the coast: "You have Ben Dixon, one of the

Frankie O'Brien.

best men of his class, in Medford now. If you could get Frankie O'Brien to meet him you would have a great match," said the editor.

The cost of staging such a match seemed prohibitive but the legion men decided that in view of the large crowd which will be in Medford for the November 11th celebration a first class bout should be put on regardless of expense.

O'Brien won from Freddie Anderson here some years ago and is a brother of Dan O'Brien who took Dud Anderson for a trip over the K. O. route in the third round when the latter was going good. Dixon and O'Brien will make 135 pounds.

Among the other features of the smoker will be an opportunity for Medford fans to see just how good Johnny Carlson is. Nothing in this end of the state has given him any sort of a battle and therefore the smoker committee has sent for outside talent in the shape of Billy Ryan of Portland who has agreed to meet Carlson in a six-round set-to.

#### R. R. Bill Reported

WASHINGTON, Oct. 22.—The administration bill for funding \$500,000,000 of railroad debts was reported favorably today by the senate interstate commerce committee with amendments by Senator Cummins, republican, Iowa, chairman of the broadening the financing operations.

### OLSEN IS GAME, BUT YIELDS TO THYE'S WRISTLOCK

Ted Thye of Portland defeated Thor Olsen of Athens, Ohio, in two straight falls at the Nat last night before a small crowd, the athletic event deserving a larger attendance, as it was a fast and speedy exhibition. Olsen lost the first fall in one hour, and the second in eleven minutes. The throw was made in both instances with a wristlock—a hold of which Thye is the master. The doughty Viking gave up after severe punishment, and won the heart of the crowd by his gameness.

The wrestling before the first fall was fast and brilliant, and both men worked out of dangerous positions, Olsen being as slippery as the proverbial eel, and bringing cheers many times with his skill. Several times he bore Thye to the mat by main strength. It was one of the fastest matches ever held in southern Oregon.

The wristlock, as applied by Thye is deadly, and is the hold with which he defeated Ralph Hand at Ashland July 4th. He slugged it onto Olsen a few minutes before the end of the first hour. Thye pleaded with his adversary to give up, as he did not want to hurt him, and after vain efforts to break it Olsen surrendered.

Olsen came back for the second fall, and after ten minutes of fast work again fell a victim of the same hold, and after breaking it once, was forced to give up.

Walter Miller of Los Angeles, middleweight champion, referee, and at the close of the match the Gold Hill Boxing commission announced that it would offer a purse of \$1000 for a match between Thye and Miller at Gold Hill within the next two weeks.

### 'BUDDY' ANDREWS WILL MAKE DEBUT ON HIS BIRTHDAY

Tuesday evening, October 25, will be the fifth birthday anniversary of Master Buddy (George E.) Andrews. It will prove a day of double significance to him, as he will make his initial appearance upon the stage at the Page theatre that evening.

Master Buddy not only possesses a marvelous child voice, but his gift of musical phrasing is a natural ability which few people, old or young, possess. Were he heralded either as a boy choir singer or on the vaudeville stage, he would instantly win wide fame. His initial appearance, however will also be his last one for some time to come, as his parents, Mr. and Mrs. George Andrews, refuse to jeopardize a future career by using this youthful ability.

#### It's a Grand Old Remedy

You can't keep strong and well without sleep. Whether your rest is broken by a painful hacking cough or just an annoying tickling in the throat, the system becomes weakened and run down. Mrs. K. D. Drako, Childs, Md., writes: "After an attack of the 'flu' I was left with a severe cough. Nothing relieved me till I used Foley's Honey and Tar, which I can highly recommend." It covers irritated membranes with a healing and soothing coating, loosens phlegm and clears air passages. Sold everywhere. Adv.

### KLAMATH AUTO DEALER IS HELD ON BOOZE CHARGE

His trip from San Francisco to Medford by auto proved to be a very costly one for L. Hoagland, a Klamath Falls auto dealer, who because of a quantity of booze being found in his possession, put up \$100 bail to answer to that charge and was later fined \$25 for bringing an auto into this state without license plates, either regular or temporary.

Hoagland arrived here last night with a new Buick Six car, which he had purchased at San Francisco for Jack McNeill of Fort Klamath, en route to deliver it to that individual, and with two passengers, who were W. H. Robertson of Klamath Falls and F. T. Lydyard of Redding, Calif. The latter two claim to have had no knowledge of the booze found later in Hoagland's suit case.

From Sacramento to the California state line the car was brought on a temporary license permission of that state. On arriving in Medford last night Hoagland and the two others went to hotels after the first named had left word in the garage in which he kept the car for the night that he intended to resume his journey at 6 o'clock this morning.

During the night, however, Patrolman Cave in nosing around the city discovered the car without license plates in the garage, and was on hand when Hoagland arrived at the garage this morning. He took the Klamath Falls man into custody for driving a car into the state without any license plates, and at the police station in searching Hoagland's suit case, found therein two sealed bottles of Gordon Gin, a bottle of applejack, and a half bottle of liquor which resembled moonshine. This forenoon on orders from Rawles Moore county prosecutor, Chief of Police Timothy released Hoagland on \$100 bail.

A short time later J. J. McMahon, deputy state motor vehicle inspector, ignorant as to Hoagland's previous arrest, in making his rounds of the city, discovered the licenseless car and placed Hoagland under arrest. At his hearing in Justice Taylor's court on this charge, to which Hoagland pleaded guilty, the accused frankly admitted that since he had been in the auto selling business at Klamath Falls he had never taken out a dealer's license and had sold 23 cars. Deputy Inspector McMahon testified that on a recent official visit to Klamath Falls he at that time warned Hoagland to get a dealer's license.

Hoagland, after paying his fine, went over to Jacksonville to procure a temporary license from the sheriff's office, and then started for Fort Klamath.

### FREE FILM MATINEE PLEASES THE KIDDIES

The matinee by the Geo. A. Hunt company and this paper at the Page theatre today was largely attended as usual and the picture was especially pleasing to the children. At each matinee the number of children from the country increases. The order maintained is very good, due to the theatre management and the children themselves.

A large number of children called at this office for coupons today. We print the coupons in both Thursday and Friday's papers each week, and hereafter all children who don't clip their coupons and come to this office must pay five cents for the paper. This is necessary owing to the extra papers we have to run.

### TRIGONIA CASING IS ORDERED THRU A LOCAL DEALER

Casing for the Trigonias well has been ordered through W. A. Aitken, who is a local dealer, and secured the casing through the Oregon branch of the Walworth company. The casing is 6 3/4 inch 26-lb. 10 thread new California casing, that will stand a water column of over 4000 feet pressure. It is shipped from Zanesville, Ohio, and will reach here in about three or four weeks.

This is the best bargain by \$768.00 shipping point Los Angeles; so the difference of time is well worth the difference in price.

A new Baker shoe has been ordered from the Baker Supply Co. at Coalinga, California for use with the casing.

#### Royal Arch Masons, Crater Lake Chapter No. 32

Special Communication, Tuesday, Oct. 25th, 7:30 p. m. Initiation work in M. M. & P. M. Degree. Visitors welcome. Refreshments. A. F. NOTH, Secy. 185

### SHE TOOK HER FRIEND'S ADVICE

Now is in the Best of Health Because she took Lydia E. Pinkham's Vegetable Compound

Detroit, Mich.—"I was not feeling well for several years and never was able to eat any breakfast and always complained of a headache or tired feeling which at times required me to stop my work and rest. I have never had a physician and never took any medicine for it until your medicine was recommended to me by a neighbor whom I used to visit frequently. I took four bottles of Lydia E. Pinkham's Vegetable Compound, and now I am in the best of health and enjoy doing my work every moment of the day. It surely put life and 'pep' into my system."—Mrs. L. M. DARRAS, 46 Howard St., Detroit, Michigan.

It is not always in business that a woman is forced to give up her work on account of ill health. It is quite as often the woman who does her own work at home. When backaches and headaches drive out all ambition, when that bearing-down sensation attacks you, when you are nervous and blue, the one great help for such ailments is Lydia E. Pinkham's Vegetable Compound.

### ENGINEER AT MEDFORD HOTEL PASSES AWAY

William F. Bain, chief engineer at the Medford Hotel for many years was stricken with paralysis while at work this morning, and passed away two hours later. His death came as a shock to his family, and warm friend and employer—Emil Mohr, who were brief struck by the tragic end. Mr. Bain had been an employe of the Hotel Medford for 10 years, and a strong friendship resulted between employer and employe. The body was taken in charge by Weeks and Conger and funeral arrangements will be announced later. Mr. Bain was generally beloved and known to scores of guests at the Medford Hotel.

#### Card of Thanks

We wish to thank our friends for their help and sympathy during our late bereavement in the loss of our beloved wife and mother, Mabel Alma Herr. Also for the beautiful floral offerings. GRANVILLE HERR, 183 PRESTON R. HERR.
