Mayor Gates has issued a proclamation setting aside Sunday, Oct. 30 as "Go to Church Sunday," giving the official sanction to the observance of the day. The mayor of Portland did the same thing in the observance of the "Go to Church" campaign recently put on in that city. The churches are planning for special services and for large crowds, and every family is urged to attend some church in a body.

"That is one of the finest police dogs you ever laid eyes on—has more brains than the average human," said Hugh Rankin, supervisor of the Crater national forest, today as he pointed to his canine pet which was sleeping by the radiator in his private office. "Get up, Alex, get up, and let the gentleman look you over." But Alex, named after the superintendent of Crater national park, only slightly pricked up one ear gave a feeble wag of his tail, and dozed on, showing that he is a night police dog by his all day sleeping. Alex is gun shy and is in course of training. The report of a gun fired near him finds him in another state a half hour afterwards. Yet his owner is proud of the scout.

BAD BACK TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors. Ask your neighbor!

Mrs. M. Jones, 208 Trip St., Medford, says: "I am always ready to speak a good word for Doan's Kidney Pills for I have never found anything equal to them for backache. I used to be troubled a great deal with my back and at times when I would bend over I could hardly straighten. Sharp, shooting pains would catch me through my kidneys nearly cutting my breath off. My kidneys acted irregularly especially at night. I used Doan's Kidney Pills and they entirely relieved the trouble. I have had no return of any kidney disorder since and gladly recommend this fine remedy."

The above statement was given March 17, 1916, and on March 22, 1920, Mrs. Jones said: "I am always glad to recommend Doan's Kidney Pills and they never fail to help me when I have any kind of kidney disorder."

Mrs. Mary Blake SUGGESTS

I AM SURE when you have tried home-made pimento-cheese you will say it far exceeds any you can buy ready prepared. It can be made in a few minutes and you can be sure it is perfectly fresh.

Just warm some mild cream cheese in Carnation milk and stir until creamy. Add a few pimentos and a dash of salt. You will have no need to dread unexpected luncheon guests with these ingredients at hand.

My Home Cooking Lessons also contain numerous suggestions which you may find helpful. I will send you a complete set free and include a book of 100 tested recipes if you will write me care of the Cameron, 2122 Products Company, 622 Railway Exchange, Portland, Ore.
