

# TOMORROW IS GO TO CHURCH SUNDAY

## CHURCHES UNITE IN EXTENDING CALL GO TO CHURCH DAY

Tomorrow is "Go to Church Sunday" for Medford and the surrounding country. The churches of the city unite in extending an urgent call to the entire population to renew their church going habit, and attend some church both morning and evening. The pastors at the morning service will speak on some phase of church going and the benefit to the individual and community which comes from giving the church a place in the life of the people. The churches of Medford are strong organizations and the pastors are striving, with the means and support given them to carry out a strong program of real worthwhile things, given them to carry out a strong program of real worthwhile things, given them to carry out a strong program of real worthwhile things, given them to carry out a strong program of real worthwhile things.

The world situation calls for a return to the church and a greater emphasis on religion. Lloyd George says, "It is Christ or chaos." Vice-President Coolidge says, "A community without religion goes to pieces." Hamilton Holt says, "The biggest thing in the world today is religion." These world leaders know what they are talking about.

On this page will be found the announcements of the various churches for Sunday, and a warm welcome is extended to the services of the day.

## BISHOP SHEPARD, FIRST METHODIST CHURCH SUNDAY

Special significance is given Go to Church Sunday by the First M. E. Church in the securing of Bishop Wm. O. Shepard, D. D., L.L.D., to preach the evening sermon. There are indications that attendance at this service will exceed the seating capacity of the church, as many from the surrounding towns have signified their intention of attending.

Bishop Shepard is a Christian statesman with keen insight in the problems of the day. He has unusual ability in the analysis of the spiritual values. He will deliver an address on

the timely subject of "The Mission of the Church in the New Age."

It will be "Go to Church Sunday" all day, beginning with the Sunday school service. At the morning service the pastor will preach on "The Church in the Wildwood" or "The Church as a Servant of the Community." The song by the first title will be sung by the entire congregation as a feature of this service.

The Epworth League service at 6:30 will be one of special interest for the young people. Leaders from the other chapters of the valley will be in attendance. Several special features have been planned. A chief attraction at these services will be the music.

# SHOULD JONES GO TO CHURCH?

Who is Jones? Jones is the man who believes in churches, but goes only when some one's funeral, or his own, takes him there.

Jones is not opposed to churches; far from it. He stays away, but sends his boy, and when the boy becomes a young man, he wonders why his son doesn't like the church.

Jones fails to reason that in not going to church, he virtually votes to close the church doors. He is doing all he can to eliminate them from the community.

Absenteeism from the ballot-box and the church are kindred failures to society. Worship is the highest function of which man is capable.

When Jones goes to church he says by his action, "I believe in God." Thoughtful people go to church because the church stands for the best things. You and your family are earnestly invited next Sunday
