THIN, FLAT HAIR GROWS LONG, THICK AND ABUNDANT

"Dandarine" costs only 35 cents a bottle. One application ends all dandruff, stops itching and falling hair and in a few moments, you have doubled the beauty of your hair. It will appear a mass, so soft, lustrous, and easy to do up. But what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. "Dandarine" is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. This delightful, stimulating tonic also thins, lifeless, faded hair to grow long, thick, heavy and luxuriant. 91
