

GEO. H. DAGGETT, FORMER RESIDENT OF VALLEY, DIES

The following extract from the Minneapolis Journal of October 31st, will bring the first news to the valley of the death of George H. Daggett, a former well known resident of Medford.

"George H. Daggett, former grain dealer, left Minneapolis for the west to restore his health, and returned eight years later on the same quest, but in vain. Mr. Daggett died yesterday at the home of Lillian C. Pryor at Lake Minnetonka, where he had visited several weeks.

"From Minneapolis he had moved to Oregon, and later to California and Texas. He lived at 40 Groveland Terrace. He is survived by his wife and a daughter, Dorothy, of New York, both of whom are in Minneapolis; a son, Elliot, one brother and one sister.

"Mr. Daggett was a member of the Loyal Legion, Sons of the American Revolution, honorary member of the Minnesota State Historical society, and a Mason. Arrangements for his funeral, which will take place in Minneapolis, have not been completed.

Mr. and Mrs. Daggett and family came to Medford in 1919 and purchased the Stewart ranch in the Jacksonville district, now owned by Mr. Birch, the well known mining engineer of San Francisco. While here, both Mr. and Mrs. Daggett took a prominent part in the civic and social life of the community, and a large number of friends will learn of his death with sorrow.

CLEVER CHECK ARTIST NABBED BY THE POLICE

A young man giving his name as J. C. Miller and claiming to hail from Sacramento passed several bad checks on Medford merchants yesterday. He arrived in this city Friday and sold a suit of clothes to Will H. Wilson for \$5, asking that gentleman if he could come back the next day and buy it back for \$6. After procuring the \$5 he deposited it in the Farmers and Fruitgrowers bank and received a deposit book which showed the \$5 deposit. He raised the amount in the deposit book to \$25 and then went about town making his purchases; purchasing about \$8 worth of merchandise from Deuel's and receiving \$4 change; buying a pair of shoes from Emil Schmidt and receiving change for his \$10 check and giving a \$6 check to Buster Coleman at Mann's store in exchange for merchandise and cash.

Coleman and Schmidt became suspicious and Schmidt called the bank and learned from Cashier Fred Wahl that the deposit amounted to only \$5 whereupon Coleman, Schmidt and Wahl convened, and found Patrolman Adams and walked the downtown streets in search of the young culprit. Coleman sighted him first in front of Brown's and Adams made the arrest. Miller will probably be arraigned in Justice Taylor's court this afternoon.

JUDGE CALKINS MAKES NEW DIVORCE RULING

By a ruling of the circuit court this morning, the law requiring attorneys in divorce suits to file a copy of the summons on the district attorney will be strictly enforced, whether waivers on this process are procured or not. The court said he would postpone decisions in such cases from 30 to 90 days, to give the district attorney's office ample time to review the suits. Under the law the state is made a party in divorce suits. The court's ruling will have the effect of causing people desiring divorce suits in a hurry to wait awhile.

Medford in the First Christian church at 5 o'clock and at 7:30 in the evening he will speak in the First Methodist church, Fourth and Bartlett.

W. J. Herwig of Portland, superintendent of the Anti-Saloon League of Oregon will speak in the First Presbyterian church at 11 o'clock and at the First Baptist church at 7:30.

These meetings in Medford conclude a state-wide campaign which began several weeks ago. Meetings have been held in every county seat town.

JAP CABINET RESIGNS

(Continued from Page One)

It seems generally assumed that designation of Viscount Uchida as premier was only a temporary expedient and there seems little doubt that the cabinet will be reconstructed within a few days.

Considerable speculation as to the probable new premier is voiced in today's Tokyo newspapers. The probabilities, according to the newspaper views, appeared to point to Baron Kenjiro Den, governor general of Formosa, as the selection for the premiership.

The Nichi Nichi Shimbu says it assumes the cabinet will continue to function pending its reorganization, probably calling a cabinet council for November 7, the date previously arranged for consideration of the budget for the fiscal year.

WASHINGTON, Nov. 5.—Takashi Hara, premier of Japan, was stabbed

at 7:25 p. m. Friday, and died soon afterward, the Japanese embassy here was advised today by the Tokyo foreign office in the first word of the assassination to reach Washington from the Japanese government.

The embassy communication said Viscount Uchida, foreign minister in the Hara cabinet, had been made acting premier, but gave no details as to the assassination.

The message was received in un-coded form but its filing time indicated that it had experienced considerable delay.

Messages Four in TOKIO, Nov. 5.—(By Associated Press.)

Cablegrams expressing horror over the assassination yesterday of Takashi Hara, the premier, poured into Tokyo today from the capitals of virtually all nations.

The attack on M. Hara was made by a demented youth, and there is no definite knowledge as yet that it had its genesis in the political rancor which actuated bitter assaults upon M. Hara and his government in the recent past.

Viscount Uchida, former Japanese minister to the United States, and foreign minister in M. Hara's cabinet since 1918, has assumed the post of acting premier, pending a possible reconstruction of the government.

More appealing than ever is Katherine MacDonald, the American Beauty, as the girl who dared everything for her husband and then lost his trust.

Tom Mix at Rialto

Tom Mix, the daredevil star, has been announced as the attraction at the Rialto theatre for tomorrow in what is declared to be the most fitting picture of the Mix type of prowess seen in many months.

"The Untamed" is a story of the west in which Max Brand has introduced three strange comrades. The trio consists of a sort of superman, wild and primitive, who recognizes no man-made laws; a big, fiery stallion known as Satan, and a gigantic dog, Black Bart. These three beings, unlike any others of their kind, find their companionship only in each other. With this idea the author and director have created a most unusual picture.

Pauline Starke plays opposite the star. George Seigmund enacts the role of Jim Sileri, the outlaw leader. Others in the cast are P. M. McCullough, Charles K. French, James O. Barrows, Pat Chrisman, J. A. McGuire.

WOMAN AVOIDS AN OPERATION

Hope Nearly Gone, but Lydia E. Pinkham's Vegetable Compound Saved Her

Star, N. C.—"My monthly spells gave me so much trouble, sometimes they would last two weeks. I was treated by two doctors without relief and they both said I would have to have an operation. I had my trouble four years and was unfit to do anything, and had given up all hope of ever getting any better. I read about your medicine in the 'Primitive Baptist' paper and decided to try it. I have used Lydia E. Pinkham's Vegetable Compound and Lydia E. Pinkham's Liver Pills for about seven months and now I am able to do my work. I shall never forget your medicine and you may publish this if you want to as it is true."—Mrs. J. F. Hursey, Star, N. C.

Here is another woman who adds her testimony to the many whose letters we have already published, proving that Lydia E. Pinkham's Vegetable Compound often restores health to suffering women even after they have gone so far that an operation is deemed advisable. Therefore it will surely pay any woman who suffers from ailments peculiar to her sex to give this good old fashioned remedy a fair trial.
