

HARA FUNERAL IS ATTENDED ONLY BY A FEW FRIENDS

TOKIO, Nov. 8.—(By the Associated Press)—Conferees of the elder statesmen continue in an effort to arrive at an agreement upon a successor to Premier Hara, who was assassinated Friday night. Marquis Saionji, Marquis Matsukata, Baron Makino and Admiral Saito, governor general of Korea, discussed the situation at length at the palace yesterday, but so far as is known, no decision was reached.

The funeral of M. Hara yesterday was held at his residence and was attended only by personal friends. After the services, conducted by a Buddhist priest, the funeral cortege proceeded to the headquarters of the Seiyukai party, of which the late premier was the head, where the body was viewed by thousands. Later it was removed on a special train to Morioka, where the final ceremony will be held Friday.

The assassin, Ryuchi Nakooka, has confessed that he planned the crime several months ago and that he trailed the premier since that time, seeking a favorable opportunity to stab him.

Marquis Saionji is most prominently mentioned as Hara's successor, but in some quarters it is stated he is unwilling to take over the duties himself, preferring merely to have a hand in the appointment. Others assert he will accept if urged by Field Marshal Prince Yamagata and is given the privilege of using his discretion as to changes in the cabinet.

The preponderance of newspaper opinion appears to be in favor of avoiding any political embroilment in view of the coming conference on limitation of armaments and Far Eastern questions soon to open in Washington.

There are over one hundred musicians, singers, dancers, comedians,

choristers and artisans concerned in "Cluck! Cluck!" A special train consisting of three double length railway baggage cars and a like number of Pullmans are required to transport the outfit to this city from Roseburg.

From all reports the 1921 Marcus offering is not noteworthy alone because of its magnitude. For speed, fun, music, dancing and general merit it is declared to be in a class by itself.

EXCHANGE TURNS FINE INTO NICE FORTUNE

GENEVA.—The collapse in Austrian exchange turned a police court fine into a fortune for an Austrian army officer who has just been sentenced to pay 50 francs at Buchs for assaulting a customs official before the war. The officer then was released upon cash bail of 5000 Swiss francs, deposited at a time when the crown was the equivalent of the franc.

When he paid his fine and received the bail he deposited years ago, he found that he had what would be changed into more than 2,000,000 Austrian crowns.

N. Y. COMMUNISTS WRITE IN NAME OF SING SING MAYOR

NEW YORK, Nov. 8.—Men and women voters of New York City, 1,149,000 of whom are entitled to cast their ballots, went to the polls today to elect a new city administration, a new state senator and county officials.

While there were seven candidates for mayor the choice lies between John F. Hyland, democrat, incumbent and Henry H. Curran, republican, running on a coalition ticket. Democratic headquarters predicted Hyland's re-election by more than 150,000 while Curran's campaign managers claimed that their candidate would win by 150,000. Impartial observers generally agreed that the women voters, 447,015 of whom are registered, held the balance of power, and both sides made a strong appeal for the women's vote.

Socialist leaders admitted their mayoralty candidate, Magistrate Jacob Paikin, had no chance to be elected, but they were claiming six aldermanic seats, six seats in the state assembly from the greater city and one Bronx county office. The other mayoralty candidates were Jerome T. DeHunt, farmer-laborer; George K. Hinds, prohibitionist; John P. Quinn, social-laborer; Joseph Dana Miller, single tax, and Benjamin Gitlow, workers league (communist), whose name was not placed upon the ballot because he is serving a sentence in Sing Sing. His name was to be written in by his supporters.

Good Health for Good Results

Keep Efficient by Keeping Well
This Letter Will Tell You How

"I suffered terribly every month, and was always tired and nervous, and had indigestion, and often could not do a thing. I was this way about two years, and had to stay home with my mother. I tried several medicines, then I found a book of yours, and mamma told me to try the Compound. So I got a bottle of Lydia E. Pinkham's Vegetable Compound, and it certainly worked wonders with me. I have taken six bottles of it, and am still taking it when I feel the need of it. I have already recommended it to a number of working girls, who are taking it. I am working now, and stand up all day and feel fine. I am glad to say that Pinkham's medicine did a lot for me and for my mother, and we only wish we had taken it a long time before."—Rosa Schorff, 4876 Annunciation St., New Orleans, La.
