

# MYSTERY OF LOST STUDEBAKER CAR SOLVED AT LAST

The strange case of a valuable Studebaker six car, 1920 model, stolen from John Schweitzer of Hillsboro, Ore., about the middle of last August, having recently been located and discovered by Deputy State Motor Vehicle Traffic Officer J. J. McMahon, has just come to light.

The stolen car was found abandoned a short time later on the Pacific highway near Gold Hill. It stood there several days and no one claiming it a sign painter in Gold Hill by the name of Memmen took the car and put it in his garage at Gold Hill. A deputy sheriff at Grants Pass notified Sheriff Terrill of Jackson county of the finding of the auto and that official went to Memmen's garage and looked it over.

It is claimed that Sheriff Terrill did not notify the state automobile department nor the auto insurance company of the find, as is always customary in the finding of an abandoned or stolen auto.

It is further claimed that Memmen the forepart of November borrowed \$250 on the car from the Gold Hill bank, and a short time afterwards removed the car out of his garage to Grants Pass and offered it for sale in that city for \$1,000. He placed the car in a Grants Pass garage to have repairs made to its rear gears.

It develops that at this stage Officer McMahon in some manner learned of this peculiar car situation, went to Grants Pass, took possession of the apparently ownerless car, and placed Memmen under technical arrest until the matter could be further investigated. In a few days McMahon had succeeded in locating John Schweitzer, the owner, who came to Grants Pass, proved his ownership and took possession. Schweitzer refused to press any charge against Memmen and the latter was released from arrest.

## GRANGERS ELECT DEMETER CHIEFS, 2000 INITIATED

PORTLAND, Ore., Nov. 18.—Election of officers of the Assembly of Demeter and report of the resolutions committee were the outstanding features on the program of the annual national Grange convention here today. The Assembly of Demeter is the seventh degree of the grange organization.

A class of nearly two thousand initiates witnessed the ceremony directed by the priests of Demeter last night at the Municipal Auditorium and took the vow which admits a Granger to full membership in the seventh degree. Elaborate settings had been prepared under the guidance of the high priest, Charles M. Gardner, of Springfield, Mass.

Assisting Gardner in the conduct of the initiation were Oliver Wilson, of Illinois, Priest Archon; Charles F. Spencer of Oregon, Priest Treasurer, and fourteen appointed officers of the assembly.

A secret session of the seventh degree order was convened today for exemplification of the degree and the biennial election.

Business affairs will be forgotten by the visitors tomorrow, when the Clarke county, Washington, Pomona will give the easterners opportunity to inspect the prime orchards adjacent to Vancouver. As a reminder of their trip into Clark county the Grangers will each receive a box of Washington prunes upon their arrival home.

## 'Y' CONVENTION IS LARGELY ATTENDED REPORTS OFFERED

The county convention of the Y. M. C. A. was held at the Presbyterian church last night. About 65 from different parts of the county assembled at 7:15 and sat down to an excellent dinner prepared by the ladies of the church.

During the meal, instrumental music was furnished by Misses Ann Alford and Dorothy Newman. The young ladies also favored with a vocal duet. After another fine selection, a vocal solo by Ruth Cole, County Chairman John C. Mann called the convention to order. Prayer was offered by Rev. J. R. Bennett.

The minutes of the organization convention a year ago were presented by the recording secretary, G. H. Hillings. The annual report, printed and laid at each plate, was presented and commented on by the chairman, after which Treasurer V. O. N. Smith made a summarized report for the year.

One of the pleasing features of the evening was the manner of reporting on various activities promoted during the year. Boys from different communities were called on by the chairman as follows:

Summer camps, Joseph Angell, Phoenix; Wayne Holdridge, Talent; Junior Boys' Clubs, Donald Trier, Talent; H. Y. Clubs, Kova Hutchingson, Medford; Herbert Doran, Ashland; Frank Richter, Medford; Isaac Hill, Lawrence; Walter, Ashland; Older Boys' conference, John Gale, Medford.

The nominating committee then presented the names of the following men as nominees for county committee to serve three years: E. C. Fisher, Central Point; H. W. Frame, Phoenix; O. C. Boggs, Medford; Chas. T. Swines, Medford; Carl Darling, Ashland; R. T. Newby, Talent; R. W. Stearns, Medford.

Those men were formally elected. John H. Ruld of Portland, inter-state secretary for county work, addressed the address of the evening. His talk was inspirational, brought to the assembly many interesting incidents in county work, both in the Northwest and elsewhere, and was listened to with rapt attention.

The Phoenix and Medford male quartets interspersed selections throughout the program and were warmly applauded.

Rev. R. P. Lawrence made the closing prayer and the meeting was formally adjourned.

Numerous comments were here on to the success of the evening's program in every detail, and as to the fine report of work accomplished by the county Y. M. C. A. in the year just closed.

## IRISH MESS IS WORSE, DUE TO ULSSTER ACTION

LONDON, Nov. 18.—(By the Associated Press.)—The Irish peace situation is deemed in authoritative circles not to have been made actually worse by the Ulster cabinet's determination to adhere to its previously declared position.

The overwhelming majority given in favor of the government's policy at the unionist party conference in Liverpool yesterday is looked upon as creating a better atmosphere for continuance of the peace negotiations in some form, although the possibility of the resignation of Premier Lloyd George, or, indeed, the entire coalition government, is not ignored. The morning newspapers, however, do not regard this contingency as either imminent or inevitable. There is some difference of opinion as to whether if an impasse is reached, the premier will resign, or ask the country's verdict in a general election.

## THANKSGIVING PLAN FOR PHOENIX BRITISH WARSHIP CONTRACTS HALTED

"Thanksgiving Day" will be observed this year at Phoenix by a special service at the church at 7:30 on Thanksgiving evening, to which everyone in the community is invited. "Thanksgiving—Why, and How," will be the subject of the sermon on Sunday morning, November 20th, with special music.

Sunday evening at 7:30, there will be the annual praise service at the Phoenix church, arranged by the Women's Society, with special music by the girls' choir. Mrs. George E. Whitman of Medford, recently from China, will give the address of the evening, on "China and Its Present-day Greatness and Opportunities." Mrs. Whitman is a most pleasing speaker and should have a large hearing. She spoke recently at the Phoenix schools, and is well known as the mother of two of our popular teachers.

Over 50 ladies were present on Wednesday afternoon at the home of Mrs. T. J. Malinren for the November meeting of the Missionary society, about half of whom were visitors from the society at Ashland. A most amusing and interesting "clinic" was presented in costume and splendidly acted by eight of the Ashland women; and a remarkable report of the recent state meeting at La Grande was given by Mrs. Walter Frazer Brown, who was the delegate from the societies of Southern Oregon.

LONDON, Nov. 18.—(By the Associated Press.)—The admiralty announced today that it had ordered the cessation of all work on the four battleships of the super-flood type. The shipbuilding firms were notified yesterday not to incur any further liabilities on new naval construction until further notice from the admiralty.

These contracts were awarded only two weeks ago. Officials explained that the practical effect of the admiralty's order would be the absolute cessation of all warship work pending the outcome of the Washington conference.

## OHIO RIVER BOAT SINKS, HITS SNAG

CINCINNATI, Nov. 18.—Thirty persons, including two women passengers, were saved from the muddy waters of the rapidly rising Ohio river last night when the steamer Ohio, carrying a heavy cargo of freight upstream from Cincinnati, struck a projection on the top of Government dam No. 25, opposite New Richmond, O., and sank a few minutes later in thirty feet of water. Within a few minutes after the crash had torn a huge hole in the steamer's hull, all of the members of the crew and passengers were safe in the steamer's two lifeboats, or in the boats sent out from the river bank.

How S. S. S. Clears the Blood of Waste Products.

Your system is continually taking in nutrition and throwing off waste products. This process goes on all during life. But, sometimes the organs do not properly function and these waste products, instead of passing out through the pores of the skin, through the kidneys and through the alimentary canal, are absorbed in the blood. Then the blood becomes poisoned, and cannot properly nourish the system.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.
