

Local and Personal

This morning's temperature with a minimum of 21 degrees was the coldest of the fall season, and the chilliness was accentuated by a damp fog which rolled into the valley after 6 a. m. and lasted several hours. The coldest previous temperature of the fall season was 27 degrees on the mornings of Nov. 18 and 19th.

I consider this the best fishway in the United States," said State Game Warden Burghdoff today after making an official visit of inspection to the Savage Rapids dam and the fish ladder constructed on the north bank of the river by the Irrigation district. Mr. Burghdoff arrived in the city this morning, being accompanied on his visit by Col. Geo. Kelly, member of the commission, and by Superintendent Berrian, who has charge of the trout hatcheries within the state. The party visited the Savage Rapids dam early in the day, later going to the Golden Drift dam, where the provisions made for the ascent of the fish were inspected.—Grants Pass Courier.
