Items of Interest From the Rogue River Valley

PRIZE LIST OF ASHLAND WINTER FAIR ANNOUNCED

ASHLAND, Nov. 18.—The premium list is just out, announcing the second annual winter fair at Ashland, which will be held on December 7, 8, 9, 10, 1921, at the armory and Natatorium buildings, and will include in addition to last year's departments, livestock and automobile departments. The purpose of adding the livestock department is to give our breeders of pure stock an opportunity to demonstrate in some measure what they are doing and to develop a possible marketing agency.

The poultry department will be as heretofore under the direction of the Southern Oregon Poultry association and will be the seventh annual exhibition of this organization.

It is expected that the fruit department will furnish a very remarkable display of apples and such other fruits as may be available at this season.

Other departments will be those of art, automobiles and schools.

The fair is held under the auspices of the chamber of commerce, and appropriations have been made by the Jackson county court, the Ashland city council and the Ashland chamber of commerce.

The following are officers and committees:

- H. G. Enders, Jr., president.
- J. H. Fuller, secretary.
- Executive, F. C. Homes, H. O. Anderson, J. H. Dill.
- Livestock, Elton Beeson, Ralph Billings, F. W. Herrin, Benton Bowers, Jr., J. J. Murphy.
- Poultry, C. E. Morton, A. McMillan, E. O. Smith, Ernest Webb, H. W. Frame.
- Fruit, A. H. Davenport, T. S. Wiley, G. M. Frost.
- Agricultural, O. D. Lowe, D. H. Jackson, C. B. Lamkin.
- Automobile, Kenneth McWilliams, L. L. Leddon, A. C. Nittinger.
- Merchants display, H. H. Elhart, H. T. Elmore, H. A. Stearns.
- Schools, A. C. Joy, Mrs. Louis Dodge G. A. Briscoe.

Domestic department, Mrs. Louise Hammond, Mrs. W. J. Oldfield, Mrs. C. H. Pierce.

Art department, Ladies' Art club. Buildings, Thos. Simpson, L. F. Ferguson, J. W. McCoy.

Carnival, V. O. N. Smith, Mrs. H. T. Elmore, Frank Jordan.

The poultry department has a score of comprehensive rules governing all phases of exhibits in this leading industry which has secured such a firm foothold in this section of the county. Premiums range from 50c to \$5.00.

The new division, that of livestock, embraces horses and cattle, swine, sheep and goats. Premiums range from \$2 to \$10 in these classifications. Special significance is placed on this department as it is a new departure with the advent of the Winter Fair season. Heretofore the "livestock" phase has been confined to pet animals.

In the horticultural division is where we shine, all the leading varieties of fruit being represented, both in plate and box displays. Under this classification grapes, walnuts and almonds will also be exhibited. No less than a score of apple varieties will be on exhibit.

The agricultural department reinforces the horticultural one, including all the leading grains and vegetables, with a special prize list as applying to cereal products.

The domestic division is divided into several classifications, including fancy work and domestic supplies, together with pantry stores. By bestowing a little attention upon these lists, the young folks can strive with the older ones in winning a little pocket money, the awards varying in extent from four bits to an even plunk.

The school exhibits incorporate examples of educational features, the handwork of pupils throughout Ashland and Medford territory, also rural schools, sums of from 50c to \$2.50 being the limitation of individual prizes offered.

The big show will meet under two roofs in the same neighborhood, the armory and Nat. being referred to. There is plenty of room on the Nat grounds, and the plan is to erect sheds thereon, structures not merely temporary but really permanent, which can be utilized for the purpose from year to year in housing the livestock departments, an added attraction this season which is already being planned on an extensive scale.
