

Local and Personal

The first real storm of the fall or winter season in Medford and the valley set in yesterday afternoon following a high wind and during last night and the greater part of today there was continuous downpour of rain, which up to 2 a. m. today amounted to 3.8 of an inch, according to the local weather bureau gauge. A. C. Allen, whose veracity is seldom questioned, stated at 10:30 a. m. that his unofficial gauge consisting of an old tin can in his back yard registered 3 inches of rain since 8 a. m. today, and the tin can had a big hole in it at that. The present storm also affected the minds of a number of other Medfordites and started them to making weather predictions of their own, the favorite being that the rain storm would turn into snow and a blizzard. The official prediction, however, is for more rain.

SUFFERED SEVEN LONG YEARS

Finally Relieved by taking Lydia E. Pinkham's Vegetable Compound

Ravenswood, W. Va.—"For seven long years I suffered from a female trouble and inflammation so that I was not able to do my housework. I consulted several doctors but none seemed to give me relief. I read in a paper about Lydia E. Pinkham's Vegetable Compound so I decided to try it, and before the first bottle was gone I found great relief so I continued using it until I had taken eight bottles. Now I am very well and can do my own housework. I can gladly recommend Lydia E. Pinkham's medicine to suffering women."—Mrs. BERTHA LAMSON, R. F. D., Ravenswood, W. Va.

The ordinary day of most housewives is a wearying treadmill of washing, cooking, cleaning, mending, sweeping, dusting and caring for little ones. How much harder the tasks when some derangement of the system causes headaches, backaches, bearing-down pains and nervousness. Every such woman should profit by Mrs. Loring's experience. Remember this, for over forty years Lydia E. Pinkham's Vegetable Compound has been restoring health.

Justice of the Peace Holman of Grants Pass last Saturday assessed fines totaling \$1250 upon Bob Goff of Leland and Norman Blalock and E. G. Patton of Placer. Patton and Blalock pleaded guilty to moonshining charges while Goff, who demanded a jury trial, received a fine of \$500 and 60 days in jail when the jury returned a verdict of guilty. The men were placed under arrest upon complaint of Special Prohibition Agent W. G. Smith of Wolf Creek, who alleged he had purchased liquor from the three men. It is understood in Medford that the tip which resulted in the arrest of two of the men came from Medford.
