

HALF BONUS FOR ASHLAND HOTEL PLAN IS RAISED

ASHLAND, Nov. 21.—Already suggestions are not only being made but are emphasized regarding location of the new hotel project, inasmuch as nearly half of the bonus of \$20,000 is pledged, with the canvass hardly begun. Emil Fell, who subscribed \$1000, wants a tropical palace like unto some of those at Pasadena and Palm Beach, not excepting an ideal one to his notion way down in Mexico—or, at least, it was there before the war, with palms and plantains bordering shady lagoons, and Gila monsters lazily sunning themselves in the offing. A location has been suggested, either in Chautauqua park or between Park avenue and Granite streets, which would bring it in close proximity to the pioneer and community cabin district.

The canvass is quietly under way, and developments are forthcoming on Tuesday of this week at a forum luncheon at Hotel Ashland, where all who are interested in the project are urged to be present. Some days since the pledge fund had assumed the basis of \$12,000, the maximum being \$30,000, or even more if required. Among those on the hotel committee are G. E. Billings, E. E. Phillips, J. W. McCoy, W. H. McNair, T. H. Simpson, J. H. Fuller, L. F. Ferguson, V. O. N. Smith, Enders, senior and junior, W. H. McNair and A. C. Nulinger. The open forum is a power in dealing with these questions, more so even than a canvass, as these discussions regarding vital topics outline a plan which clinches the argument, after which canvassing solicitations are far more easy, "system" as applied to the preliminaries accomplishing great results.

This is the era of drives, and Ashland is asked to contribute \$1500 to the Jackson county Y. M. C. A. fund, \$5000 being needed to finance the year's program throughout the county. The campaign to raise the quota will begin at once, as the year in question began Nov. 1. Homer Billings, of this city, is secretary of the county organization, which is also represented locally by Mayor Lankin, O. F. Carson, and J. O. Rigg. The "Y" stands for the best in developing character among the young men, and incident to such development insists that an environment representing the sturdy ideals be employed as affecting moral and social standards, reinforced by robust athletic culture.

Christmas seals are on the way, the State Health association planning for their annual sale in the near future. No specific quota has been fixed, but is hoped to sell them in job lots to the extent of \$500 worth, the Shine and Elk organizations usually investing in a generous measure as a starter, setting the pace for investors on a "retail" basis. The Red Cross and public schools are channels through which the largest measure of effort is expended in behalf of the stamp sales. Christmas tide is also an opportune season to launch the campaign, as at that time the holiday spirit is exemplified to its maximum, and the peculiar phase of the appeal, coming as it does from the forces combatting the tuberculosis plegia, is more apt to strike a responsive sympathetic chord at the Yuletide season. Locally the State Health association is represented by Mrs. Grace Eagle, Mrs. Lorena McNair, Mrs. Bertha Denton, Mrs. Edith Elmore, and Mrs. Lulu Filton throughout the city at large, and Supt. Hetscoe through the medium of the public schools.

Activities of the Red Cross membership campaign are about over with as far as actual canvassing is concerned, the showing up to Saturday revealing subscriptions to an extent approximating \$1000, whereas it was expected to raise at least \$1500. However, considerable will yet be contributed appreciably, even if the drive is over with.

ARIZONA MINE BOSS SAYS HE WAS HELPLESS

Harry E. Scott, a well known mine boss, whose address is Box 682, Tucson, Arizona, writes: "I was down and out nearly all the time with rheumatism and finally got to where I couldn't move, over to feed myself. My wife thought I would never get well again, and she knew my condition better than anyone else."

"I was absolutely helpless when my wife started giving me Taulac and in four days I ate a hearty meal for the first time in many months. Taulac put me on my feet and I'm back on the job working hard and feeling just fine. I have gained eighteen pounds in weight, too."

Taulac and Taulac Vegetable Pills are sold by the West Side Pharmacy, and by leading druggists everywhere. —Adv.

Quite a number of regular contributors have been overlooked, and these will be reminded of the opportunity to pledge as occasion may offer. There's an element which thinks that because the war is over with, no cause remains for continuing the Red Cross work. They forget that its activities are centered both at home and abroad, and that one-half of the sum raised in any given locality remains there for the relief of pressing local demands in extending relief and not only first but also last aid in the homes of destitution and suffering.

URGE EX-SERVICE MEN TO GET BUSY

All of the 75 ex-service men who signed up to purchase city lots on paved streets under the city council's easy payment plan and who have not yet called at the city treasurer's office and picked out their lots, are urged to do so at once.

Among those who have already made their \$25 down payment and selected their lots are Geary E. Garrett, J. A. Beddingfield, Ralph H. McCurdy, Thomas T. Merriman, Wm. B. McIntyre, R. J. Conroy, S. M. Leonard, M. B. Leonard, P. M. Leonard, C. Louis Wolff, Ray E. Wright, Harry Bryant, George A. Coddling, E. C. Ward, T. J. Corney, James J. Phillips, J. W. Chisum, Seely V. Hall, Arthur W. Tyo, Merle M. Willis, Carl Y. Tengwald, Horace Brouley, O. W. Chisum, Lyle R. Walther.

NO CHANGES ROAD DISTRICTS NOW

The Jackson county court had planned on changing the boundary lines of a number of road districts at the September term, but have found that the law had been changed in this regard, so that no boundary lines can be changed until the January term.

Therefore in all road districts in which meetings have already been called to vote on the levy, the levy will be on the same boundaries as last year.

Football Film at Page

"Two Minutes to Go," an exciting and amusing football story, is the latest Charlie Ray starring vehicle to be presented at the Page theatre Thanksgiving week. The feature comes to the Page for a four days' engagement beginning Tuesday.

Mr. Ray plays the role of a football star who wins the championship match in the last two minutes of play after having been inspired to great deeds by a note from the only girl sitting on the side lines, telling him that all was forgiven. The picture is an interesting and amusing story of college life and among other things illustrates how exuberant youngsters cut up on Halloween night in a small college town.

A feature of the attraction is a realistic football game in which Mr. Ray and a number of real gridiron heroes have prominent parts.

Pauline Starke in "Salvation Nell" No finer tribute to the achievements of that wonderful body of men and women who constitute the Salvation Army has ever been paid by the silent drama than the screen version of "Salvation Nell," and no greater evidence of the artistic advance of the motion picture has been put forth than this Whitman Bennett production, which opened at the Riato theatre yesterday.

Pauline Starke, a rare and talented interpreter of emotional parts, has the title role. She is seen as the plucky little Salvation Army lass, who, after many vicissitudes, makes the man of her own heart go straight.
