

Local and Personal

In view of the severe stormy weather of snow and rain up north and in eastern and central Oregon the people of Medford and the Rogue River valley are again congratulating themselves on living in such a pleasant climate. Following the rain of Sunday night and Monday forenoon, the sun was out today most of the time and the air was sprightly and balmy, although at times black clouds hung over. During Sunday and Monday the rainfall here amounted to 1.31 inches, of which .41 of an inch fell after 8 a. m. Monday. Rain is the prediction for Wednesday.

How To Get Relief From Rheumatism

Scientists Agree That the Cause Is Due to Waste Products in the Blood.

The blood is the means by which all tissues, muscles, ligaments and flesh of the body are directly or indirectly nourished. It is also through the blood stream that worn-out tissues and waste products are cast out of the system.

When waste products accumulate, they are a menace to life. They cause a lowered vitality, many skin disorders and rheumatism. Genuine relief from the agonies of "rheumatism" can be had only by correcting the basic trouble—waste products.

Thousands and thousands of men and women during the past 50 years have cleared their blood of waste products with S. S. S. It is the ideal remedy for rheumatism, because it removes the poisonous waste matter which is causing the trouble. There are no bad after effects and the result is wonderful. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free.

Personal medical advice, without charge, may also be had by sending a complete description of your case. Address: Chief Medical Director, Swift Specific Co., 732 S. S. S. Laboratory, Atlanta, Ga. All good drug stores sell S. S. S.

COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By using at any drug store for "Wysth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wynth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
