

PRISON SENTENCES END ACTIVITIES OF INDIA AGITATORS

LONDON, Nov. 22.—Three of the most active of the followers of Gandhi, the independence leader in India, have been removed from activity for the time being by the sentence of two years' imprisonment imposed at Karachi, India, of Mahomed Ali, Shukhat Ali and Dr. Kitchlow on charges of sedition and causing dissatisfaction among the troops.

According to information received here the All brothers have been a source of trouble to the British government in India for some years. They were interned in 1915 on charges of having promoted sympathy for the King's enemies in the war. Four years later, in 1919, they were imprisoned on charges of disloyalty in the Afghan war, but were released after about six months' imprisonment, under a royal proclamation of clemency toward political prisoners at the time of the passing of the India Reform act.

It is claimed that they at once renewed their activity against the government. Mahomed Ali was selected leader of the Caliphate delegation, which came to London last year and was granted interviews by the prime minister.

On returning to India, it is charged that he prompted the migration of pious Mussulmans from India to Afghanistan, which left their homes in the frontier provinces of India, but soon returned after suffering severe hardships in Afghanistan.

The government charged that the All brothers were in close association with Gandhi and moved up and down the country conducting a campaign of non-co-operation and made constant appeal to the militant fervor of their co-religionists.

FUND FOR BAPTIST CHURCH \$26,083

Rev. F. R. Leach announced Sunday morning that the funds for the new Baptist church had grown during the week in an encouraging way. The amount in hand now is \$26,083. The popularity of the enterprise is seen when it is known that the above sum does not represent a few large donations, but gifts from 180 contributors. Nearly every family in the church has made some pledge, and over forty persons not connected with the church. The consulting architect of New York City is working on the plans, and expects to visit Medford some time in December when he will make a personal study of the situation. The architect is working to give the Baptists and people of Medford a building which will represent the most approved design for the varied needs of a church, which functions for the present day. The building committee is not desirous of overbuilding, but seeks to erect a church which will meet the needs of the present and of the future growth of the city. Rev. Mr. Leach is leading the church along conservative lines, and has the support of the entire membership in this enterprise. The new church will be a substantial addition to the city, when it is erected.

Mrs. Fox said she had cared for Virginia all her life and that she had never had any physical ailments or disorders.

HIGH SCHOOL TEAM IN GOOD SHAPE

Unless last minute injuries cause a change in the Medford high school lineup she will, Thanksgiving day, for the first time this year, start a game with full strength. In the backfield will be seen Payne and Prescott, halfbacks; Beoney, quarterback and Rudy Singler fullback. With continuous practice this quarter has developed and is working much more smoothly than the last time it was seen in action. Daily will be ready at any time to go in as a sub-back.

On the line, Richard Singler will start at end. He has been out of the game for more than a month with an injured shoulder, but has now reached a complete recovery and much is expected of him. Johnston will fill the other end. Tackles at the start will be Mansfield and Stockman; guards, Nordwick and Webster; with Stewart at center. First string subs will be Daily, Dressler, Glascock, Nicholson and Jackson. Ashland is favored to win, but football "dope" is often used and Medford is hoping for an unexpected surprise.

The game will be called promptly at 2:45 p. m.

Ridoux said he tested Miss Rappe's strength. She appeared healthy, he said, and was stronger than most women he had instructed.

Harry J. Boyle, assistant manager of the Hotel St. Francis, was the next witness. He testified to having been called to Arbutckle's rooms in the hotel immediately after Miss Rappe was supposed to have been injured there, and of having questioned Arbutckle.

Arbutckle started to carry Miss Rappe to another room on the same floor but became exhausted and Boyle assisted him, he testified.

Al Semmacher, manager for Miss Rappe, and a guest at the party, was the next witness called.

Because of the storm conditions in the northern part of the state and especially because of the washing out of a bridge at Jefferson, all trains are delayed both ways between here and Portland. Passenger train due here at 2:05 daily did not reach the city until 1:30 this afternoon. No. 52 due here daily at 3:40 p. m. was chucked up this morning as scheduled to arrive at 6:15 p. m. No. 15 due here last night at 10:30 was four hours late. Because of wires being down in the Portland vicinity there was practically no direct telegraph service between here and points far north. All Medford telegrams from and to the north were routed via San Francisco, Seattle and Portland, or vice versa.

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back hurts or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, and you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

Charm of Motherhood

THERE are many homes once childless that now are blessed with healthy, happy children, because Lydia E. Pinkham's Vegetable Compound restored the mother to a healthy, normal physical condition.

The following letters give the experience of two young women and prove the value of Lydia E. Pinkham's Vegetable Compound in such cases.

Chicago, Ill.—"I was always tired, my head always ached, and my back ached until I could hardly stand the pain. I doctored for years, and the doctor said nothing but an operation would help me, and that I could not have children. A friend asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles of it and it helped me wonderfully, and I now have a fine baby boy, thanks to what your medicine did for me in restoring my health. I can highly recommend the Compound to all women who suffer from female ills."—Mrs. Wm. Reiss, 304 Willow St., Chicago, Ill.

Marinette, Wis.—"I was in a very nervous condition, was irregular, and could not have any children. I took doctor's medicine without success, and he advised an operation. My husband brought me one of your booklets and asked me to try Lydia E. Pinkham's Vegetable Compound. I soon felt benefited by its use, became regular, and now we have a fine baby girl after having been married nine years. I am always glad to recommend Lydia E. Pinkham's Vegetable Compound to my friends who suffer from such troubles."—Mrs. H. B. Helz, 330 Jefferson St., Marinette, Wis.
