Alex Sparrow who has been in Portland on business this week is taking time to atting the hotel reporters on the exploded "petrified lady" myth, as witnessed the following in the Oregonian: "A. Sparrow, superintendent of Crater Lake National park, is registered at the Multnomah. Mr. Sparrow is enthusiastic over the increase in business in the park and says that this year 28,609 people and 7890 automobiles visited the lake, an increase of 42 per cent in the number of visitors and 53 per cent in the number of automobiles. The discovery of the "petrified lady," as it is called by the rangers, has excited a great deal of interest, and it is expected that hundreds will make the trip to see this wonderful carving in solid rock. With four more feet of snow in the park, all of the rangers and employees have left except the caretaker in the lodge and the ranger and his wife at Anna Springs camp."

GOOD BOUTS LISTED FOR NEXT SMOKER

That Chet Brown will knock the smokes out of "Fighting" Joe Blackburn at the Nat smoker next Friday is the opinion of many local fight fans who are backing their opinion to the limit. "Fighting Joe" however will not get up a fast wop and Chet will have to stop. Joe's record of knock-outs includes many of "Batling" Fritch and Spencer and, although his Amateur day performance was a disappointment to his adherents, he can be depended upon to do his best Friday night.

Kid Sargent, the Ashland scuttler, will walkout Kid Meadows, according to Ashland people, but Kid Meadows and his Medford followers disagree. Both will have to work in Friday's bout. If a decision or knockout is scored.

A battle royal and good preliminary events will complete the smoker program, and judging from the caliber of the fights scheduled, a large crowd will turn out.

What Does Your Family Think of You?

The real test of a man's religion is how he acts at home. Are you kind, amiable and sweet in your family circle? "Bear ye one another's burdens and so fulfill the law of Christ" is the teaching of Christianity.

We can follow Christ's teachings without going to church, but we thus deny ourselves many opportunities to help others. Help the church exert the influence in the community that it ought. Link your effort with the energies of those who are trying to build up the best things in town. Come to church Sunday.
