

Local and Personal

The annual memorial exercises of the local Elks lodge held Sunday afternoon were well attended by members and the public. The program consisted of an address by Porter J. Neff, orchestra selections, ritualistic exercises, vocal solo by Miss Ruth Warner, selection by a vocal quartet consisting of Don Newbury, Fletcher Fish, George Gates and Wm. Vawter, and violin solo by W. Carleton James. Mrs. George Andrews and H. G. Launspach were the accompanists. The temple was beautifully decorated with flowers and greens. Thirty-nine members of the lodge have passed away since its organization.

Fruit shipments from Ashland to eastern markets during the past ten months are valued at \$126,000, according to a recently issued report made by the Ashland Fruit and Produce association. An advance report shows that the following amounts of fruit and produce have been handled this year: Cherries, 55,775 pounds; berries, 410 cases; peaches, 12,353 boxes; pears, 8390 bushels; plums, 821 boxes; tomatoes, 3956 boxes; apples, 34,106 bushels; grapes, 869 crates; eggs, 43,927 dozen. This, together with additional small shipments, would bring the total amount of fruit exported from Ashland this year, up to 110 cars or more.—Ashland Tidings.

Roads between Roseburg and Medford are in excellent condition for winter travel, according to Division Engineer K. E. Hodgman, who spent yesterday in Roseburg. Nearly all of the distance is paved, and those sections which are not paved are well macadamized, so that the road will bear heavy travel all winter. No new construction will be done during the winter and there will be little change made in the highway until spring weather. Next year the commission expects to complete the paving of the highway.—Roseburg News Review.

LOST—On South Holly street or in down town district, a new gold pencil. Was valued gift and will appreciate return. Call 678. 220

The Screen

Mix's Greatest Play
"Prairie Trails" is the fastest, most exciting picture that Tom Mix, the darling cowboy star, has done. Yesterday's audience at the Rialto theatre, where this new production was shown for the first time, received it most enthusiastically.

"Prairie Trails" is a breezy, racy story of the great west. Tom Mix fits into the story so perfectly that it might have been written for him. It is the story of the inward conflict that takes place when Tex Benton, lover of the manly life and defender of womanly manners and customs, falls in love. While one side of his nature cries out for the companionship and love of Jane McWhorter, the other side yearns for battle and strife and all manly things.

The part of Janet McWhorter is very ably played by Kathleen O'Connor, a charming actress.

Biggest Thrill of Screen
A rushing, roaring sweep of red-hot warrens released from bondage—a mighty torrent of timber, crashing, grinding all before it—logs bumping, splintering in the snarling waters—sweeping all before its relentless path. Such is one of the big thrills in "Conflict."

The most gripping, soul-searing moment ever filmed. Terrific in its intensity, the mighty log jam, the blowing up of the dam, and the swashing torrent of felled forest is the mightiest spectacle of the camera's art.

In all its splendor, in all its ruthless glory, "Conflict," Priscilla Dean's wonderful new photoplay is coming to the Page theatre tomorrow.

EAGLE POINT EAGLES

By A. C. Howlett

Mr. J. P. Gain (Agate Jack) has rented the house belonging to Mrs. McNeel and is preparing to fix up a shop to grind out agates. He has the most of the necessary equipment for the business and is planning to cut and polish a large quantity ready for the fair in Portland in 1925. He is recognized by the Agate hunters, who have been here at the Sunnyside hotel, where he has been boarding the most of the time for the past three or four years as one of the most complete experts in that line of any one around here. He has now already on hand some two or more hundred pounds of stones, that he has gathered, all ready to saw up and polish. He does not expect to sell them now, but is preparing to take them up to Portland and dispose of them to the tourists who come from all over the civilized world to visit the fair and see the wonders of our great state of Oregon.

Mrs. Mattie Brown, the wife of one of our leading merchants, Mr. W. H. Brown of the firm of Georges Brown and sons, the only lady member of the town council, the street commissioner and the most active and persistent member of the town council, called on your correspondent Tuesday afternoon in her rounds, visiting and consulting with the taxpayers of the town with regard to the best plan to adopt with regard to lighting the streets of our town, for Mrs. Brown, being one of the leading members of the Ladies' Improvement club of Eagle Point as well as a very active member of the town council, has with the assistance of other members of the club, worked up a scheme to have our town lighted by electricity, and Mrs. Brown was consulting the citizens as to what they thought was the best plan to adopt of two or three plans, and she intends to submit the plan to the members of the council.

SOME THINGS OF INTEREST

The Poultry Producers' Association of Medford shipped 26,437 pounds of dressed turkeys for the Thanksgiving market, this being the largest shipment ever made from this valley. The quality of these birds were so fine, that on their arrival at San Francisco, the government took 15,000 pounds of this lot. Adv.

"THE GIRL IN THE TAXI"

bers of the council at their next meeting. There seems to be a unanimity of opinion as to the necessity of having the street lighted, but what she seemed to desire was to adopt the plan with the least expense and at the same time to be the most satisfactory and beneficial to the town.

Carl Jackson of Butte Falls called the same afternoon late, and called for a lunch, although it was some time before supper time, he said that he had been up to the fish trap, a mile or so above town and that he had about 150,000 fish eggs and was on his way to the fish hatchery at Butte Falls, and that it would not do to let them stand in the cans, so he wanted to just eat a lunch and be on his way and of course, he went away satisfied.

Wednesday afternoon "Agate Jack" came in and wanted me to get out of his house, he had some news for the Eagles. The reader will understand that I have been on the "ground" for the last week or more, and have been confined to the home, not very sick, but unable to make my regular rounds. And he informed me that it was an actual fact that the Pacific and Eastern railroad was in session again, that a train had come up consisting of a locomotive, three flat cars and a box car loaded with material for construction work, and I suppose that some of the citizens of Butte Falls who have been waiting as patiently as possible are beginning to see a prospect for a brighter future.

Mrs. Fey of Trail, who had just returned from Portland, came in on the Medford-Eagle Point stage Wednesday evening and spent the night at the Sunnyside.

Mr. and Mrs. C. P. Dodge of Newport, Oregon, came in also on the Medford-Eagle Point stage and spent Wednesday night. They are as Mrs. Dodge expressed it, both agate fiends, as they are each professional experts in that line of business, being engaged in the agate cutting business in their home town. They are old friends of "Agate Jack" and have arranged with him to move into his house, and will work with him in the business of cutting and polishing agates, and by way of recreation will spend some of their time hunting agates in the surrounding country.

W. R. Roth, who is engaged in selling Watkins' Remedies also came in Wednesday evening and spent the night and reported that he had been quite successful in our little town. He is one of our soldier boys who lost an arm in the late war, fighting for the cause of universal freedom.

December came in mild and pleasant and did fair to be one of the lovely days of our winter and in the early part of the day was lovely indeed, but soon the dark clouds began to roll up and then showers of rain and by noon the weather had completely changed and one of the most

terrible wind and rain storms ever experienced in this section of the country visited us, putting the electric lines out of commission, leaving us in total darkness, so that we had to resort to our old coal oil lamps and the stoves did not come on until after three o'clock a. m. The wind also did considerable damage to the electric light poles and telephone systems. I have heard of but one building being blown down and that was Mr. L. L. Conner's barn and I have not been able to learn what damage was done, whether there was any stock in the barn or not, as I have not been able to go out and rustle items as usual, but hope to in the course of a few days.

C. B. Pihlerson, referred to in a former letter as the general superintendent of the work of running the rock crusher on the Wm. Von der Hagen contract for rocking the Crater Lake Highway and Mrs. Tynning, the wife of the chief engineer on the whole of the construction work for the Crater Lake Highway, have been taking their dinner, noon meal, at the Sunnyside regularly for the past few days.

Wall St. Business
NEW YORK, Dec. 5.—Speculation issues again were favored by professional traders in today's stock market but many substantial gains were cancelled in the final dealings. Sales approached 750,000 shares.

SALT LAKE CITY BUSINESS MAN REPORTS GAIN

Don J. Perry, 370 Quince St., well known Salt Lake City, Utah, business man, is reporting remarkable gains in weight, both by himself and his wife, says:

"My wife gained twenty-eight pounds in a few weeks by taking Tanlac. The change in Mrs. Perry is all the more remarkable, as she had been coming down hill steadily for four or five years. She got no nourishment from her food and I don't believe she averaged three hours sleep out of the twenty-four."

"While my condition was not as serious as hers, I had been, under the weather for some time, had an appetite and was bothered a good deal by indigestion. Tanlac has certainly proved all and more than is claimed for it with us."

Tanlac and Tanlac Vegetable Pills are sold by the West Side Pharmacy, and by leading druggists everywhere. Adv.
