BOSCH MAGNETO

Will Be Guaranteed by Your Motorist Friends

Perkins Auto Electric Co.

"Say It With a Motor Car"

promises to be a popular slogan this Christmas season, according to local auto dealers. With regained confidence on the part of the public in the stability of motor car prices and a keen showing of the new season's models on hand on the part of the dealers, there appears to be every indication that more cars will be hung on the Christmas tree this year than ever before.
