

MISS FRANCES NEWMAN, Chicago, Ill.

"Only a medicine of truly wonderful merit could have done what Tanlae did for me and there is nothing half good enough for me to say about it," said Miss Frances Newman, 2529 Hirsch St., Chicago.

"I don't think anybody ever suffered any more from indigestion than I did and for over a year I was in wretched health. I had smothering spells and my heart palpitated so violently I thought I had heart trouble, but I know it was all caused from my stomach."

"Since taking Tanlae I feel and look like a different person. I have a splendid appetite and my digestion is just perfect. I sleep eight or nine hours every night and get up in the morning feeling fresh and happy. My friends tell me I'm always smiling now and I certainly ought to be for I'm enjoying life again."

Tanlae and Fraine Vegetable Pills are sold by the West Side Pharmacy, and by leading druggists everywhere.

DISORDERS BREAK OUT IN PACKING HOUSE WALKOUT

CHICAGO, Dec. 7.—(By Associated Press.) The strike of union packing house employees in the larger centers outside of Chicago appeared more serious than was first reported, as the third day of the strike began. The walkout has already been marked by disturbances in which a few men were injured and authorities in some places prepared to cope with any situation which may arise.

Union leaders insist that the strike is "100 per cent effective" while the packers, although admitting that work is hampered in some quarters, say that production has been but slightly affected.

Four hundred National Guardsmen patrolled the South St. Paul packing district today, having been ordered out after Adjutant General W. F. Rhyon said the pickets at the Armour plant failed to keep their promise to permit employees to enter the plant.

Mayor Burton of Kansas City, Kan., ordered all pickets off the streets, saying they would not only be arrested at the yards, but anywhere they might be carrying on activities supporting the strike, in accordance with the Kansas law forbidding picketing by strikers.

Greater efforts were made by police in Fort Worth, Texas, today to control the situation following the serious wounding yesterday of three men. Two alleged strikers were shot by a negro when they attempted to stop him from boarding a car and the negro was beaten by a crowd.

Public Service Hearing. ASTORIA, Ore., Dec. 7.—The Oregon public service commission will begin a hearing here tomorrow on applications of the Pacific Power and Light company for authority to increase local street car fares and gas rates.

Small Town Staff. WATERBURY, Vt., Dec. 7.—Motion picture shows will continue to operate in Waterbury on Sunday as a result of the referendum yesterday, the voters receiving a majority of 1259.

REAPING BENEFIT From the Experience of Medford People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Medford residents on the following subject will interest and benefit many of our readers. Read this statement. No better proof can be had.

R. L. Kaufman, 348 N. Grape St., Medford, says: "I know the value of Doan's Kidney Pills, as I have used them off and on for years with good results. At times my kidneys were disordered, due to a cold settling on them and my back was lame and ached severely. My kidneys acted irregularly at these times, too, but Doan's Kidney Pills have always relieved these troubles and put my kidneys in good condition."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kaufman had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

DR. KEENE OPPOSES REVOCATION TAX! LICENSE EDWARDS

The city council last night passed a resolution to the effect that James "Shine" Edwards, appear before that body at its next meeting and show cause why his tax, cab license should not be revoked. The motion for the resolution was made by Councilman Dressler. All of the councilmen were present except R. W. Antle.

Mayor Gates and Councilmen Miles, Gaddis and Dressler favored the resolution and voted for it. Dr. Keene, however, was vigorously opposed to taking any action on the matter as long as the bootlegging case against Edwards was pending in circuit court. At his trials on this charge both juries failed to agree, and it is generally expected that District Attorney Moore will bring the case up for a third trial, although as yet he has made no announcement.

BANKER RECOVERS BANDIT ATTACK

PORTLAND, Ore., Dec. 7.—H. H. Newhall, president of the Bank of East Portland, who was shot in the abdomen yesterday afternoon when three armed men attempted to hold up the bank, was recovering today at a hospital. The bullet did not penetrate the inner wall of the stomach.

The body of Jay Campbell, robber shot to death by Cashier Fred W. Alt, was at the morgue. James Bergstadt, aged 25, and Shelby E. Murdoch, 31, who were captured near the bank after they failed to get away in an automobile, confessed to the police and District Attorney Hammons. Murdoch, who was identified as an ex-convict from Deer Lodge penitentiary, Montana, planned the robbery, he told the police.

Mrs. Mary Blake SUGGESTS

TO have buns or biscuits with that much desired smooth golden-brown crust, brush them over with a pastry brush dipped in Carnation Milk before putting them in the oven.

You will also find that if you brush the cover of your pies with Carnation Milk they will brown more evenly and be more flaky.

My course in Home Cooking lessons contains many hints which you may find useful. I will send you this course and a book of 100 tested recipes free if you will write me care of the Carnation Milk Products Co., 622 Railway Exchange, Portland, Oregon.
