To Stop Coughing at Night

When anyone is suffering from a bronchial affliction or has a cough that lingers on and grows worse at night, the loss of sleep tends to weaken the sufferer and grows more serious the longer it is neglected. Mrs. M. Suter, 647 Longbrook Ave. Stratford, Conn., writes: "Foley's Honey and Tar has given me great relief from a severe attack of bronchitis." Every motorist recalls with shivers the last time he nearly had a serious accident. Suppose it had been a head-on collision, or the car had gone over the embankment! Accidents are possible.

Were you prepared to meet your God—are you ready now?

Churches do not try to scare people into accepting Christianity. Many a man thoughtlessly says he will begin to attend church next month. We invite you to come this Sunday.

Gifts That Endure

A gift has a body and a spirit. How long does the spirit of the gift last in the mind of the one who has received it. Does it help any if the body of the gift lasts. Does it make any difference whether the gift is useless or useful.

Of course it depends on the person who gives and the one who receives. Some people do not appreciate useful gifts. But there is also a Society for the Prevention of Useless Gifts. When in doubt give a gift that is useful, it will bless the one to whom it is given whether or not you are blessed in return.

A Universal Gift

There is a gift for every son and daughter and father and mother which no one thought of giving ten years ago, and which some stupid people would never dream of giving. It seems too material and unpoetical.

But a convenience outlet is a real gift. For father a base plug in his favorite corner, and a lamp to go with it. For mother a convenience outlet for her sewing machine, and a motor to run it. For the boy and girl convenience outlets in their own rooms. Birthdays and Christmases may last the year round.
