

MRS. DELIA KUNZE, Chicago, Ill.

"I understand now why so many people praise Taniae as I have tried it myself and it certainly is a wonderful medicine," said Mrs. Delia Kunze, 856 Lill Ave., Chicago, valued employee of the Houston Department Store.

"I eat with so much zest and enjoyment now that my family really joke me about it. A short time ago, however, I had absolutely no appetite and was eating so little that I was losing weight and strength every day and I suffered so much from indigestion and nervousness that I was on the brink of a breakdown."

"There are absolutely no words that can express my delight in the remarkable and immediate results I obtained from Taniae. It benefited me in every way. Instead of being depressed and melancholy and tired and worn out I am full of life and energy and cheerful and happy all the time. I've gained twelve pounds in weight, too."

Taniae and Taniae Vegetable Pills are sold by the West Side Pharmacy, and by leading druggists everywhere. Adv.

HOLD SCOTTISH RITE DINNER IN CITY JAN. 14TH

Due to the fact that there is no constituency in southern Oregon, the Thirty-Second Degree Masons of the Scottish Rite who reside here, have never gotten together socially and, therefore, a dinner meeting is being arranged for at the Medford hotel on January 4th and all Thirty-Second Degree Masons are invited to attend and bring their ladies.

A meeting of a number of Scottish Rite Masons was recently held and plans for the dinner were made. Tickets are being sold at two dollars per plate and may be obtained in Medford from George T. Collins, Dr. A. J. Rickert and H. O. Frohbach. In Central Point from D. L. Davidson, in Grants Pass from C. A. Swope and in Ashland from Dr. George J. Kluz.

It is estimated that there are somewhere in the neighborhood of seventy-five Scottish Rite Thirty-Second Degree Masons in southern Oregon and at the meeting it is planned to present suggestions that will ultimately make it possible to have these degrees conferred in this locality.

MEDFORD D. O. K. K. INITIATES, GRANTS PASS CONTINGENT

"No, dear reader, Grants Pass has not fallen into the hands of Persians and Turks and Medfordites," says the Grants Pass Courier of Tuesday. "All that splendor and color and ancient wisdom that you see scattered about the street today is only because of the visitation of the Dramatic Order of the Knights of Khorassan and the induction into the mysteries of the Dokkies of many tyros from various parts of Southern Oregon and Northern California."

"The ceremonies that commenced this afternoon and that will be closed sometime before tomorrow morning are under the direction of Fuhat Burkan (Crater Lake) temple of Medford, and many trucks bearing paraphernalia and plague making devices arrived during the day from the Jackson metropolis. During the afternoon a kangaroo court has been in session in the local Knights of Pythias temple, but the real festivities will be ushered in with the public parade at 7:30 o'clock this evening. In the parade will be flocks and cages and gaily caparisoned Dokkies who will herd into the temple the Knights who are ready and worthy to cross the trid deserts and drink at the zen zen spring."

"This is the first ceremonial ever staged by the D. O. K. K. order in this city and it is expected that there will be many on the streets at 7:30 to see the features of the spectacular parade. The kangaroo court this afternoon is presided over by Senator C. M. Thomas, who is to become a candidate for circuit judge, and who is trying out his judicial temperament on the Dokkies who are brought before him."

The public market of today was a very lonesome affair because of coming so soon after Christmas. There were few offerings on sale and few patrons.
