

# Local and Personal

Butter and eggs took a big drop in Medford and on the Pacific coast generally yesterday, and at least a five cent drop in Medford. One local concern was selling butter at 39 cents a pound today and eggs at 35 cents a dozen, while prices at several other concerns ranged about 45 cents for butter and 40 cents for eggs. A year ago at this time butter was selling for 85 cents a pound and eggs at 65 cents. The recent decrease in prices of butter is due to the mild winter and because of the flood of butter shipped into this country from Australia. The open winter and increased activity of the hens together with the activity in unloading cold storage stocks has brought down eggs.

Thought One Clean Shirt All He Needed

"Ten years ago I was reduced to a mere shadow. I was yellow as a gold piece and would often be doubled up with most excruciating pains in my stomach. Physicians could only relieve me with morphine. I was advised to try Mayr's Wonderful Remedy and it helped me at once. What is more, I have been well ever since. A friend said he thought one more clean shirt all I would ever wear." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation, which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists.

## WOMAN LIVED ON NOTHING BUT MILK WEEKS AT A TIME

"For fourteen years my life was just one unbroken period of misery on account of the awful suffering I endured from stomach trouble, but I believe I am the happiest woman in town since Taniac restored me to health," said Mrs. Frances E. Lynch, 6811 Sixteenth Ave., N. E. Seattle, Wash.

"I was confined to my bed for more than half the time, and although I tried everything under the sun I knew of or ever heard about, it was no use. I had forgotten what a good night's sleep was like, couldn't retain anything on my stomach, and lived for weeks on nothing but milk.

"I have a splendid appetite now and eat things that for years I didn't dare to touch. I never have a trace of indigestion and am feeling just like a different person. Such results as I have received from Taniac are enough to make anybody happy."
