

# Local and Personal

The cold spell is over and today was very springlike with the sun shining brightly at times. This morning's coldest temperature was 32, and Sunday's highest temperature was 39. Up to early this afternoon the predicted rain for today had been scarcely more than a promise with now and then a few drops falling. Rain is the prediction for Tuesday.

**MOTHER! CLEAN CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP**

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, give a teaspoonful to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste out of the bowels, and you have a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

## Auctioning Fruit for 26 Years

Over 26 years ago we began to sell fruit at auction to a handful of buyers in a little room. While our start was small, our ideas and our ideals were big. In the early days our slogan was—"Work for the seller as hard and as conscientiously as we ourselves would like to be worked for and always give him a square deal." Throughout all these years there has been no change in our ideals. As a result, we were compelled to build our own building with three large auction rooms, especially adapted for auction sales. Our building is the largest and most up-to-date building in the United States devoted to the fruit auction industry. It is located in the very heart of the fruit and vegetable district, which is the geographical center of the great metropolitan district, comprising a population of 2,000,000 inhabitants.

The United Fruit Company, Florida Citrus Exchange, Pacific Fruit Exchange, Stevens Fruit Company, Frank H. Buck Company, Thurston Fruit Company, among the country's largest fruit growers, are some of those who sell through our auction.

If you are not satisfied with the prices you are receiving or with the service you get, you may learn something of interest if you will write us for full particulars about selling at auction.
