

Aged Resident Has a Narrow Escape

"I was at my work, my limbs became numb, I got dizzy and faint, my ears seemed stopped up. I had been troubled with gas on my stomach and severe bloating after meals. Doctors failed to help me. One dose of Mayr's Wonderful Remedy recommended by the corner druggist, proved a life saver to me. I am continuing with it with splendid results. It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists. Adv.

EVERYTHING SET FOR BIG MATCH G. HILL TOMORROW

Hennie Ruebens, one of the best middleweight wrestlers in the country has arrived from Santa Barbara, California, and is ready for his match with Ralph Hand at Gold Hill tomorrow night, under the auspices of the Gold Hill boxing commission. Hand is also on the ground, and is in the best shape of his life for the match. Ruebens has been south getting treatment for a sore arm, but the Hand supporters look on the claims of a bum wing as a bear story.

One of the largest crowds that ever attended an athletic event in southern Oregon is expected, for this is the first good contest put on by the Gold Hill promoters in several months. Ruebens has been guaranteed \$500 for his share, and if Hand beats him, the latter will be in line for bouts with Mike Yokel, Pinky Gardiner and Walter Miller. Hand has been under the tutelage of Ted Thye, who next to himself would rather see Hand than anyone else beat Miller for the championship. Thye will referee the match, which insures no rumpus.

Tickets for the match are on sale at Brown and Brown's in this city, and Irwin's in Ashland, and the management announces it has three North Dakota blizzard stoves in position to dispense heat and good cheer if weather conditions demand.

possible a twelve-months marketing of our annual production." The collapse of the cotton market Mr. Meyer said, did more than anything else to bring on the break in other markets, as cotton he declared, was a "key" product. The war corporation director praised farmers' association and advocated sufficient warehouse facilities and financial help to enable producers to market their product in an orderly manner.

Wesley C. Mitchell, an economist of New York, told the delegates that it was reasonable to expect that the purchasing power of gold would return nearer to pre-war levels and that the commodity price tendency over a long period would tend downward.

WORKS FOR CHILD MUST KEEP WELL

Mothers in a Like Situation Should Read This Letter from Mrs. Enrico

Chicago, Illinois.—"I took Lydia E. Pinkham's Vegetable Compound for a serious trouble. I had tried doctors and all said the same—an operation. At first I only felt the pain on my left side, but later I seemed to feel it on both sides. I am a power sewing-machine operator and have a little girl to support. I work in a tailor shop and that line of work has been very slack this year and I am home part of the time. I do not like to take any chances, so I consulted my friends, and one lady said, 'Take Lydia Pinkham's medicine,' so I did. I have felt better right along and am in good enough health to go to work. I recommend your Vegetable Compound and Sanative Wash to all."—Mrs. MARY ENRICO, 459 N. Carpenter St., Chicago, Illinois.

Often the mother is obliged to support her children and good health is necessary. Lydia E. Pinkham's Vegetable Compound is just the medicine you can depend upon. It is a medicine for women's ailments and the relief it brought Mrs. Enrico it may bring to you. Keep well by taking Lydia E. Pinkham's Vegetable Compound.
