CALIFORNIA LEADS IOWA IN SOIL PRODUCTS

SAN FRANCISCO, Jan. 25.—California leads all states in diversity of agricultural enterprises, according to an article in the fifty-seventh annual edition of the San Francisco Chronicle issued here last Wednesday.

within California's boundaries are grown 102 distinct classes of soil products," the article said. "Iowa, which leads all states in the total value of agricultural products, has but 76 classes of such products, 26 less in number than California."

Prevent Children's Cold Troubles When Kiddies Come In Wet and "Sniffling," Apply Vicks Over Throat and Chest to Keep Off a Cold

CHILDREN, as modern mothers know, should play outdoors daily. Colds result. How to treat colds without inward dosing, so disturbing to little stomachs, has been a problem. Vicks answers this need. Applied externally, it can be used freely and often. Daytimes, the kiddies can continue their outdoor fun. Nighttimes, the windows can be opened wide, for, if the bed clothes are left ooze about the child's neck, Vicks healing vapors will be inhaled until morning.

The DIRECT Treatment for All Cold Troubles ABSORBED, like a liniment, and, at the same time. INHALED as a vapor, Vicks reaches immediately the congested air passages. Vicks doesn't relieve every case. No remedy can do that. But it is successful in such a large percentage of cold troubles—from head colds and sore throat down to bronchitis or deep chest colds—that we have been able for years to make the following offer: VICKS STANDING OFFER Buy either the 35c, 75c or \$1.50 size. Use all or part of it. If you are not delighted with the results, mail us the top of the carton and the purchase price will be cheerfully refunded. Or, if you wish to try Vicks before you buy, mail the coupon below for a free sample.

How Vicks Should Be Used For Spasmodic Croup, Children's Colds—Rub Vicks over the throat and chest until the difficult breathing is relieved, then spread on thickly and cover with a hot flannel cloth. One application at bed time usually prevents a night attack of croup. For Deep Chest Colds, Sore Throat, Tonsillitis, Bronchitis, Coughs—Vicks should be applied over the throat and chest—if necessary, first using hot, wet cloths to open the pores of the skin—then rubbed in well until the skin is red; spread on thickly and covered with one or two thicknesses of hot flannel cloths. If the cough is annoying, a small piece the size of a pea can be swallowed every few hours. For Head Colds, Asthma, Catarrh, Hay Fever—Vicks should be melted in a spoon and the vapors inhaled, or a little can be applied up the nostrils and snuffed up the head. Used as a Liniment, Poultice or Plaster—On account of its penetrative and rubefacient effect on the skin, Vicks has been found excellent for many minor ailments, such as Bites, Boils, Burns, Bruises, Cuts, Frost bite, Itchings, Muscular Soreness, Poison Ivy, Sunburn, Headache and Sore Calloused Feet.

VICKS VAPORUB TRIAL TIN FREE Send this coupon to the Vick Chemical Company, Greensboro, N. C. A 1/2-oz. trial tin of Vicks will be mailed you promptly, sufficient to test the efficacy of its vapors by melting in a spoon, as shown in the illustration to the left.
