Mrs. Linton Tells How Helpful Lydia E. Pinkham's Vegetable Compound is at This Period

Denver, Colorado.—"I have taken Lydia E. Pinkham's Vegetable Compound for seven years and I cannot tell you the good it has done me. It is good for young and old and I always keep a bottle of it in the house, for I am at that time of life when it calls for Lydia E. Pinkham's help. My husband saw your ad. in the papers and said 'You have taken everything you can think of, now I want you to take Lydia E. Pinkham's Vegetable Compound!' So I let him get it, and I soon felt better and he told me I want you to take about six bottles. So I did and I keep house and do all my own work and work out by the day and feel fine now. I tell every one about the Vegetable Compound, for so many of my friends thought I would not get well."—Mrs. R. J. LINTON, 1850 West 33d Avenue, Denver, Colorado.

After reading letters like the above, and we are constantly publishing them, why should any woman hesitate to take Lydia E. Pinkham's Vegetable Compound if she is in need of help? It brings relief where other medicines fail.
