

MEDFORD LEGION TOSSERS BEATEN BY ASHLAND ELKS

The Medford American Legion team was defeated 3-19 in a hotly contested hoop contest last night at the Ashland armory by the Ashland Elks' team. The advantage was gained in the first half the local boys being unable to shoot and being unfamiliar with the slippery armory floor.

During the last half the Medford five held the Ashland hoopster practically even, but were unable to overcome the lead. They received poor support as there were few local rooters in the crowd, which was of a fair size.

Baughman injured his ankle and was unable to play the entire game. "Mutt" Williamson suffered a sprained knee, but it is supposed that both of these men will have reached a full recovery by the time the next game with Ashland is staged. It is expected that this will occur some time next month on the Nat floor with the local boys having little more luck shooting, it is expected to be a hummer.

Lineup:
Medford— Ashland—
Baughman Hughes
Watson Bentley
Williamson Grubb
Narrigan Young
S. Sherwood Harris
Substitutions—Medford, Phillips for Baughman. Ashland, Provost for Bentley. Ashcraft for Hughes.
Referee—Coach Hughes of Ashland high school.

Arguing Kirby Case.

SALEM, Ore., Jan. 25.—The habeas corpus plea for Elvie Kirby, sentenced to hang for his alleged part in the murder of Sheriff Til Taylor at Pendleton, is being argued before the supreme court here this afternoon. The court has announced it will hand down a decision in the case within a few days.

EUGENE, Ore., Jan. 26.—Wrestling has become increasingly popular at the University of Oregon here this year, because the mat sport has recently been given a major standing, with a full-sized "O" as the award. A large squad of men are out nightly under Coach Gerald Barnes. Although there is a dearth of material in the 175-pound class, several men in the other classes show promise, including Wagner and Whitcomb, 125; Strane and Waters, 135; Kirtley, 145; and Nygren, heavy.

Meets thus far arranged are:
February 4—Oregon Aggies at Eugene.
February 27 or 28—Washington at Eugene.

NORTH AND SOUTH BAPTISTS JOIN IN CONFERENCE UNIT

COLUMBIA, Mo., Jan. 26.—(By the Associated Press)—The national Baptist conference last night unanimously adopted a resolution recommending that the northern and southern conventions appoint or elect nine representatives of their respective bodies to constitute the "conference committee" of the church.

This is the first action ever taken by the two conventions looking toward a permanent deliberative body of the two divisions, members said. The purpose of the conference committee, as set forth before the conference will not be to attempt to bring about a union of the two conventions, but to act as a "bond of co-operation."

The plan for the conference committee was presented to the conference through a committee headed by Dr. E. Y. Mullins, Louisville, Ky., president of the southern convention and chairman of the conference and Mrs. Helen Barrett Montgomery, Rochester, N. Y., president of the northern convention.

"If the recommendation for a conference committee is adopted by the two conventions, it will be the most forward-looking, far-reaching action ever taken by the Baptist church," Mrs. Montgomery said.

SENATE TO PROBE FORD'S OPPOSITION

WASHINGTON, Jan. 26.—Investigation by the senate of the activities of "persons, associations, corporations and combinations commonly known as the fertilizer and water power trusts" alleged to be attempting to prevent lease by the government of the Muscle Shoals project, is provided in a resolution introduced in the senate today by Senator Harris of Georgia. Mr. Harris said he would ask for consideration of the resolution probably before the end of the week.

Fire Nearly Wipes Out White Salmon, Wash.

WHITE SALMON, Wash., Jan. 26.—Five buildings were destroyed by fire here early today and firemen had to resort to dynamite to check the spread of the flames which threatened to wipe out the entire business section. Dr. Warner had a narrow escape from the fire when the building he occupied burned. All the buildings destroyed were owned by R. Lauterbaugh.

POPE FUNERAL IMPRESSIVE

(Continued from Page One)

of Benedict, and purses of coins, in accordance with custom.

Cardinal Caglieri, archbishop of Frascati and the first cardinal created by Benedict, covered the body with a large red veil fringed with gold and placed at the feet a brass cylinder upon which was inscribed a succinct history of the life of the pontificate of the late pope.

Absolution Given.
Finally, absolution was given, the coffin was sealed by the Cardinal Camerlengo and the arch priest with ribbons of violet silk, and the cover was screwed down.

The burial act was then read and formal transfer of the body made by the sacred college to the chapter of the basilica, this being duly registered. The coffin was thereupon sealed with the apostolic palace seal, then those of the basilican chapter, the arch priest and camerlengo.

The cypress coffin in which the body rested was placed in a lead casket, the ends of which were immediately soldered and both were deposited in a hardwood casket upon which the same seals were affixed as on the first.

This was surmounted by a wooden cross, also by the pope's coat of arms, with flara and the brief Latin inscription:

"The body of Benedict the Fifteenth, Supreme Pontiff, who lived 67 years, occupied the throne of St. Peter seven years and died January twenty-second, nineteen twenty-two."

The casket was then transferred to the crypt in the lateral nave near the entrance to St. Peter's last absolution was given and Benedict XV was left to his rest beneath the flagstones, which are trod by thousands by pilgrims annually.
