

FOR BETTER BAKINGS

use Calumet Baking Powder. That's true of everything you make—one trial will convince you.

CALUMET BAKING POWDER

never varies in its leavening strength—never fails to produce pure, appetizing, nourishing foods, and all this at an economical cost.

Millions of women, hotels, railroads, Domestic Science Teachers, have been relying on it for over 30 years.

A pound can of Calumet contains full 12 oz. cans instead of 10 oz. cans. Be sure you get a pound when you want it.

JACKSON COUNTY'S IRRIGATION SCHOOL STARTS THURSDAY

Through the cooperation of the irrigation department of the Oregon Agricultural college, the local irrigation districts and the state engineer's office, an irrigation school has been arranged for the benefit of all persons interested in irrigation in Jackson county.

Lectures and field demonstration will be given each day.

The program follows:

Thursday, February 9th

10:00 a. m. State administration of irrigation districts.

11:00 a. m. Preparation of land and methods of applying water, Prof. W. L. Powers.

1:30 p. m. Time, amount and frequency of irrigation, Prof. W. L. Powers.

2:00 p. m. Farm engineering problems, Ralph Cowell.

2:30 p. m. Field demonstration measurement of water.

Friday, February 10th

10:00 a. m. Legal problems of local districts, C. M. Thomas.

10:30 a. m. Duty of water, Prof. W. L. Powers.

11:00 a. m. Operation engineering problems, H. M. Chadwick.

1:30 p. m. Local crops adapted to irrigation, J. A. Furry.

2:00 p. m. Local irrigation, C. C. Cate.

2:30 p. m. Field demonstration laying out laterals.

Saturday, February 11th

10:00 a. m. Legal rights of irrigators, J. T. Chimcock.

10:30 a. m. Farm structures, Powell and Cowgill.

11:00 a. m. Maintenance of organic matter, Prof. W. L. Powers.

11:30 a. m. Maintenance of organic matter, Prof. W. L. Powers.

1:30 p. m. Management of irrigated land to maintain fertility, Prof. W. L. Powers.

2:15 p. m. Soil fertilizers, Prof. F. C. Reimer.

2:45 p. m. Field demonstration structures and methods.

Had That Tired, Worn-Out Feeling?

Do you know that "awful" tired feeling? Fatiguedness, lame or weak back, sore muscles, stiff or swollen joints, or rheumatic pains usually indicate kidney trouble?

Foley Kidney Pills act promptly and effectively. Mrs. Roberta Kelly, 709 Alton St., Alton, Ill., writes: "For three years I had a tired, worn-out feeling. Various treatments failed. I began to improve on the second dose of Foley Kidney Pills and today I feel like new." Sold everywhere.

Adv.

BUY A TREE FUND GROWING, TOTAL IS NOW UP TO \$50

The "Buy a Tree" fund is growing. Forty dollars has been subscribed for the purchase of forty trees and according to the plans of the committee in charge these will be planted in the picnic grounds of the county fair community grounds.

With the limited amount of funds available for the construction of permanent county fair buildings and on account of the extraordinary demand for floor space for livestock and other exhibits, the Fair Association cannot invest any of the money voted at the recent election for the purchase of trees to beautify the grounds.

If trees are planted within the next sixty days, then a year will be lost in their growth. The sooner the trees are planted, the sooner they will provide the much desired shady spaces for visitors to these grounds.

The people of the county can vote money to build exhibit pavilions but they must wait a number of years for trees to grow to provide shade, and therefore lodges, churches and individual citizens are asked to purchase trees in this "Buy a Tree" campaign to enable the trees to be planted right away.

Trees purchased and previously reported, 25.

Mrs. J. R. Tomlin, one tree to be planted in the name of Mary E. Simonds.

George T. Collins, two trees in the name of George T. and Mrs. Collins.

O. O. Alenderfer, two trees in the name of Ole and Mrs. Ina C. Alenderfer.

Total number of trees purchased, 49.

PERSIST NEWS

A white sheet of snow has covered our community for the past two weeks. It makes us feel like it is real winter weather.

Pretty near all the people of our vicinity felt the shock of the earthquake Tuesday morning at 5:30.

Mrs. Willis returned from Medford after a two week's visit there.

Edna Peterson has spent the past two weeks with Minnie Poole at Trail.

Miss Grech spent Thursday evening at the home of the Petersons.

Clarence Whitley went to Trail Wednesday morning on the stage and expects to visit there a couple of weeks.

Mr. and Mrs. V. Peterson spent Saturday and Sunday with Mr. and Mrs. Claude Moore on Elk creek.

Dorothy Peterson visited our school Monday afternoon.

Era Whitley a school director visited our school Monday morning.

Henry Morgan, who has been ill for quite a while, was taken to the Sacred Heart Hospital last week. We are very sorry to hear Mr. Morgan is so ill. All the friends of this community hope that he will recover and will be able to come back to his place.

Henry Thorian received word Sunday of the death of his father who has been bedfast for the past number of years at Ashland.

Clarence Whitley was kind enough to make us some skis. We are wishing for more snow, so we can have some more fun sliding and falling. Our school house is on a hill, so we have great fun going miles an hour on the skis.

Some of the large trees on the school ground have been cut down. And it seems like we have a new school house by having proper light.

TRAIL ITEMS

Mr. Henry Morgan has been very ill. He was taken to the Sacred Heart Hospital January 23. We all hope he will recover, as nothing definite has been learned of the origin of his illness, except a bad cold and a run down condition.

Seems as though quite a few people living along Elk Creek have been stricken with the cold that is going around.

Howard Ash hauled a load of hay the other day.

Mr. and Mrs. Howard Ashcraft visited their homestead Monday. Their dog does not take to motoring, so it makes him sick. Wonder what he would think of aviation.

Weston Miller and his brothers are making shakes with the intention to cover a barn they intend to build.

Hazel Pence, attended the party at Hutchinson's.

Mrs. W. Willis returned from a visit of two weeks in Medford Sunday. Her son, Merrill, brought her up in a car.

It has been kind of nippy up along the creek. It has been zero at the school house. That's the lowest we have found yet. People are not anxious to ride such mornings. We have had some snow. Four inches is about the deepest along the roads.

A slight tremble was felt at Persimmon and Trail between 5 and 6 o'clock Tuesday morning.

P. E. Sandoz rode after cattle Wednesday, February 1. His son, Peter, helped him.

S. F. Sugar Cut.

SAN FRANCISCO, Feb. 6.—The price of cane sugar was reduced ten cents a hundredweight today, a new basis of \$5.49, according to an announcement by the California-Hawaiian refinery.

Arbuckle Trial March 13.

SAN FRANCISCO, Feb. 7.—The court today set March 13 as the date for starting the third trial of Rose C. Arbuckle, motion picture star, on charge of manslaughter.

WHAT IS MATTER WITH MEDFORD IS DR. COALE'S TOPIC

The revival meetings at the Main Street Methodist church are increasing in attendance, and in power each night. The evangelist is discussing "What is the matter with Medford?" on last night, said it was not his purpose to discuss municipal affairs, but conditions in general, and gave it as his opinion, that to be citizenry to Jesus, would solve all the problems of life.

The subject tonight will be, the general judgment, or will there be a general judgment? Dr. Coale does not deal in personalities, but he does condemn sin, in very strong language, and seeks to save the church from being a stumbling block in the way of the unsaved. The morning service will be discontinued for the remainder of the week, and the service at 8:45 in the evening, will be substituted. The regular service in the auditorium each evening will begin at 7:30.

At the 8:45 service in the evening, Dr. Coale will deliver the series of sermons on The Spirit Filled Life, that he was to have delivered in the morning service. This series of sermons will be delivered in the basement of the church, or the Epworth League room.

The last showing of Dorothy Dalton in "Behind Masks" at the Rialto theatre will take place tonight.

A rollicking comedy is coming to the Rialto theatre tomorrow, in "Moonlight," with Mary Miles Minter, the pretty and talented star who is said to duplicate Miss Chatterton's fine performance in the role of the irresponsible hysteric who acts upon the wildest impulses. It is a role which might have been conceived with Miss Minter in mind, so well does she fit the buoyant role. Monte Blue plays opposite the star. The picture is a breezy comedy which crackles with humor from start to finish.

Last Times Today

The last showing of Dorothy Dalton in "Behind Masks" at the Rialto theatre will take place tonight.

A rollicking comedy is coming to the Rialto theatre tomorrow, in "Moonlight," with Mary Miles Minter, the pretty and talented star who is said to duplicate Miss Chatterton's fine performance in the role of the irresponsible hysteric who acts upon the wildest impulses. It is a role which might have been conceived with Miss Minter in mind, so well does she fit the buoyant role. Monte Blue plays opposite the star. The picture is a breezy comedy which crackles with humor from start to finish.

The super-production, "The U. P. Trail," opens at the Rialto theatre today for the remainder of the week's engagements. Adapted from the well-known book of the same name by Zane Grey.

In a great drama run by "Beauty Stanton" is found the very epitome of life in the west as it was lived in those days. Rough boots treading measures on a board floor beside dainty satin slippers, perfumes mingled with the pungent odors of burnt gunpowder, gowns of Parisian design in the whirl with rough homespun and corduroy.

And in this atmosphere of contrasts "Beauty Stanton" herself presents the greatest contrast of all. A woman of evident refinement and good ancestry, she came to the town of Beaton, "a roaring hel of lust and greed and gold and death," on the U. P. railroad, and established herself as owner and proprietress of the greatest dance hall and gambling saloon in the country. Here, too, is seen the end as well as the beginning of "Beauty Stanton's" colorful adventure, when she gives her heart and soul and then her life, for the love of a man who loves another girl.

Kathlyn Williams plays "Beauty Stanton," Marguerite De La Motte portrays "Allie Lee," Virginia Caldwell as the dance hall girl "Ruby." Other members of the cast are Roy Stewart, Robert McKim and Joseph J. Dowling.

Big Fire at Highland Park

HIGHLAND PARK, Ill., Feb. 7.—Fire causing a loss estimated at \$500,000 destroyed three buildings and damaged several others in the business district here last night.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if kidneys feel like lead or bladder bothers you—Meat forms uric acid.

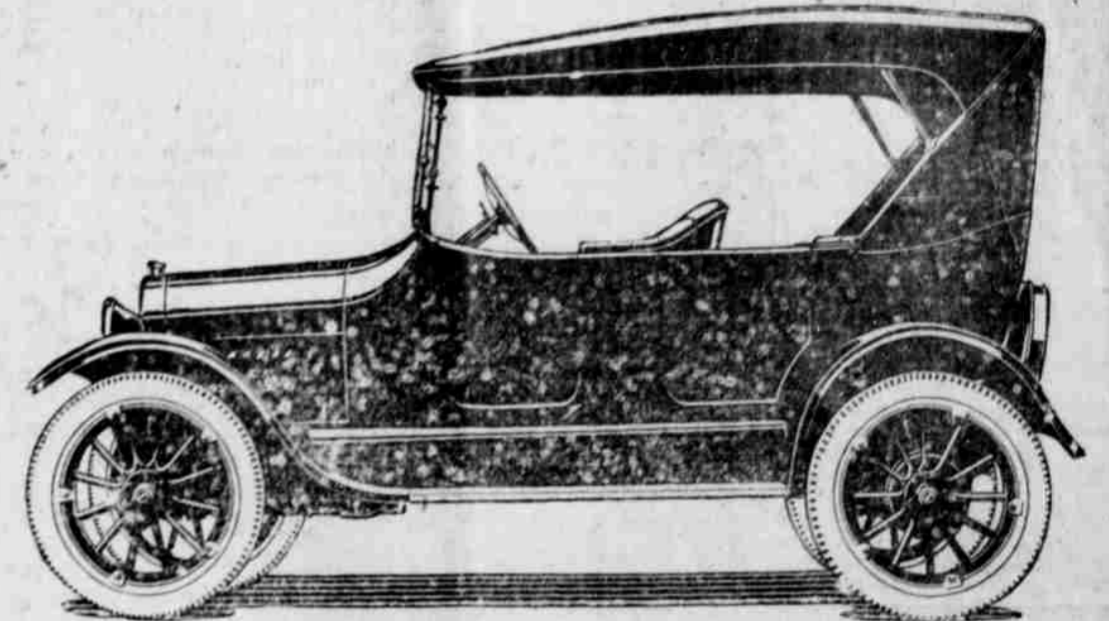

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive, makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
